

2 September 2022

Dear Shareholder,

Important changes to the Seilern International Funds plc Prospectus

We are writing to you in your capacity as a shareholder in one of the following sub-funds of Seilern International Funds plc (the "**Company**"):

- Seilern World Growth Fund
- Seilern America Fund
- Seilern Europa Fund

(together the "**Funds**"),

In particular, we would like to inform you of changes to the prospectus of the Company (the "**Prospectus**"), which are expected to come into effect on or around 21 September 2022, or such later date as the updated Prospectus is approved by the Central Bank of Ireland. The updated Prospectus will be available on our website or upon request once approved.

The Prospectus will be amended to reflect the following updates:

- i. Each of the Funds has been categorised as an Article 8 Fund under the Sustainable Finance Disclosure Directive Regulation ("**SFDR**") on the basis that each promotes a combination of ESG characteristics, amongst others. Please note that none of the Funds has sustainable investment as its objective.

In accordance with the requirements of SFDR, the description of the investment objective and policy of each of the Funds and the "Sustainable Finance Disclosures Regulation" section of the Prospectus has been enhanced to provide additional detail on how the Investment Manager seeks to ensure the Funds promote such ESG characteristics.

Please note that the Investment Manager does not regard this update to enhance these disclosures to represent any material change to the investment objectives or policies of the Funds.

- ii. The new share class, Seilern World Growth EUR Unhedged Clean class, issued on 20 April 2022, has now been funded and launched.
