31 October 2022

Dear Investor,

We are pleased to send you a statement of your investments, as at 30 September 2022, in the Ninety One Global Strategy Fund (GSF)*.

Also, attached to this letter is an 'Important information' page. You are advised to read it as it contains information on Anti-Money Laundering regulations, the UK Reporting Fund status (relevant to UK taxpayers), and an important notice for clients with Ninety One holdings in a joint or common account.

Fund changes

Investors are notified that notices relating to changes to certain sub-funds, as set out in the table, have been placed on the website www.ninetyone.com.

The notices are important and require investors' attention. If you are an investor in one or more of the sub-funds set out in the table, we encourage you to visit 'Fund announcements' within the 'Literature Library' area on our website to review the applicable notice in full. The notice contains important information regarding the change(s) to the sub-fund and its effect on your investment. If in doubt, please seek professional advice.

We are required to give investors at least one month's notice of a significant change to a sub-fund. We have set out the effective date of each change in the table below. If you are an investor in the sub-fund and you are not happy with the change, you may switch your investment into another sub-fund within the GSF range or redeem your investment. If you wish to switch or redeem prior to the effective date, your instruction must be received by the date set out in the notice on the website. You will not be charged for any such switch or redemption by GSF or Ninety One.

*Where your relationship with GSF is intermediated by a paying agent/ investors relations manager appointed within the GSF subscription form, the statement regarding your position may be provided through the paying agent/distributor in light of the applicable laws and regulations.

Notification of a change of your address

If you are an individual investor and you change your address, you need to notify us of this change. You can do this by downloading the Change of Address Form from our website. We will also require a proof of address document for each shareholder listed on the account. We can accept any one of the following documents as a simple copy: a Utility Bill (not more than three months old), a home country local Tax Bill (valid for the current year), relevant tax authority correspondence addressed to you at the mentioned residential address, official correspondence from a regulated financial institution (cannot be a Ninety One statement), valid photo driver's license (if the address on the license does not match the registered address the license cannot be used as acceptable proof of address) or a valid lease agreement provided by the property owner.

Please note that we may require an original or original certified document, depending on the information returned to us and once your account has been fully reviewed. The Change of Address Form needs to be signed by all shareholders on the account. We will update our records and, for security purposes, will send an acknowledgment to you at both the old and new addresses.

Please note we are unable to return any documentation to you as this is not permitted under Luxembourg Law. If you do not let us know of a change in your address, this may later result in you not being able to transact or receive proceeds from the sale of your investment.

Important information

Anti-Money Laundering ('AML') Regulations

The Luxembourg AML Regulations require that we hold current identification documentation for all clients on the share register to meet our Know Your Client obligations. This means that we are required to refresh the documentation and information we hold for you at regular intervals, at least every seven years. We appreciate the co-operation we receive from our clients. By supplying us promptly with the additional documentation and/or information we request from time to time, you will enable us to meet the statutory requirements, and allow us to administer your account efficiently.

UK Reporting Fund status (relevant to UK taxpayers)

UK investors who hold shares in a sub-fund of the Global Strategy Fund ('GSF') on 31 December each year (GSF's accounting year-end) may be liable to taxation on the amount of income paid out or accrued in the sub-fund. The position will differ depending on whether investors hold Income or Accumulation Shares.

For holders of Accumulation Shares it will also depend on whether a deemed disposal of Shares was made for UK tax purposes at the end of the calendar year prior to the sub-fund being granted Reporting Fund status (31 December 2010).

This deemed disposal would have crystallised any gains made from the point that the Shares were purchased to the date of deemed disposal i.e. on 31 December 2010 (where there would have been a deemed loss on disposal no election was required).

- Holders of Income Shares will be liable to UK income tax on the amount of income actually distributed and any excess of the reportable income which is not distributed.
- Holders of Accumulation Shares that made the deemed disposal or whose Shares stood at a loss at 31 December 2010 will be liable to UK income tax on the reportable income.
- Holders of Accumulation Shares who decided not to make a deemed disposal and whose Shares stood at a gain at 31 December 2010 will continue to be subject to UK income tax in respect of gains made on disposals of Shares.

Details of the reportable income in respect of the sub-fund's years to 31 December are available on our website at www.ninetyone.com/reportingfunds. This will take you to an externally hosted site, where you will be asked to register by providing your name and email address, accept user terms and set up a password to access all fund reports. Reportable income is required by UK investors to complete their UK tax returns.

Important information (continued)

Important notice for clients with Ninety One holdings in a joint or common account in the event of a death of a shareholder

In the event of a death of a shareholder within a joint or common account we detail the process below if you wish to re-register that shareholding. The process will be different according to whether you have a joint account or a common account.

Joint accounts

Joint accounts are accounts opened by two or more people, where authority has been requested and granted for any of the joint holders to be able to sign on behalf of all shareholders on the account ('Joint Signatory Indemnity'). On these accounts the shareholding(s) may be re-registered into a new account in the name(s) of the surviving holder(s), assuming that the account is in good order. To do this we would require an instruction from all of the surviving account holder(s), a certified copy of the death certificate and a new registration form completed by the surviving holder(s).

Common accounts

Common accounts are accounts opened by two or more people, where authority has not been requested or granted for any of the joint holders to be able to sign on behalf of all shareholder(s). On this basis all shareholders in a common account need to sign for any action involving the account.

On these accounts, as no Joint Signatory Indemnity is in place, we would require certified copies of the death certificate, Will and Grant of Probate. In addition to re-register the shareholding in the name of the new shareholder(s), we will also need a new registration form detailing the entitled beneficiary and an instruction from the shareholder(s), including the representative of the estate.

If you are unsure on whether your account is currently set up as joint account or common account, please feel free to contact us. For further questions about the rights of a surviving shareholder(s), please refer to an independent legal advisor.
