Dear Sir/Madam

Clarification of the investment policy for the Schroder Blended Portfolio 7:

We are writing to inform you of a certain clarificatory change to the Schroder Blended Portfolio 7 (the "Fund"), in which you are invested.

The change described in this letter does not require shareholder approval and you do not need to take any action, however, we encourage you to read this letter as it contains important information about your investment.

Change to the investment policy

With effect from 24 February 2023 (the "Effective Date"), the investment policy of the Fund will be changed to better reflect how it is managed. The change proposed is to amend the investment policy to make it clearer that the collective investment schemes in which the Fund currently invests in, may use derivatives, but that the Fund will continue to not directly invest in derivatives. Please note that this change is clarificatory only and there will be no change to the nature or purpose of the Fund, its risk profile, or change to the way the Fund is managed.

Please see the Appendix to this letter for a table comparing current and updated investment policy.

Costs

There will be no associated portfolio restructuring costs as a result of the changes described in this letter.
