

21 April 2023

Dear Sir/Madam

Schroder Sustainable UK Equity Fund: Investment Policy change and Exclusion Threshold adjustment.

We are writing to inform you of changes to the Schroder Sustainable UK Equity Fund (the "Fund"), in which you are invested.

The changes described in this letter will take effect from 21 June 2023 (the "Effective Date").

The changes described in this letter do not require shareholder approval and you do not need to take any action, however, we encourage you to read this letter as it contains important information about your investment.

Proposed changes and rationale

With effect from the Effective Date:

1. The Fund's Investment Policy will change to remove the specific exclusion disclosures and add a link to the Schroder Global Fund Centre website where investors can access the full exclusion list. The change will provide greater transparency and granularity in accordance to the exclusions in which the Fund is managed. The full change is shown in Appendix 1 and the full exclusion list is shown in Appendix 2.
2. The Fund's current exclusion threshold states that the Fund can only invest in companies that derive less than 5% of their revenue from Alcohol. From the Effective Date, the Fund will distinguish between 'alcohol production' and 'alcohol value chain' by imposing a 5% exclusion threshold on alcohol production and a 15% exclusion threshold on the alcohol value chain. This will allow the Fund to invest in supermarkets and hotel groups that meet the Fund's sustainability criteria, whose primary business is not alcohol related and who are large employers providing consumers with either staple goods or discretionary services.
3. The Fund will impose a specific exclusion for adult entertainment which we believe is in the spirit of the Fund.

There will be no change to the nature or purpose of the Fund, or its risk profile as a result of these changes.

Please see the Appendix to this letter for a table comparing the Fund's current and updated Investment Policy.

The Fund and share classes affected are also shown in the Appendix.

Costs

The costs and expenses of the change will be borne by Schroder Unit Trust Limited. There will be no associated realignment costs as a result of the change.

Your options

We hope that you will remain invested in the Fund, but you are entitled to switch your shares in the Fund for shares or units in another Schroders' fund, free of any initial charge, at any time before the Effective Date.
