FUND MERGER PROPOSAL – ACTION REQUIRED**

Dear Investor,

Proposed merger of the abrdn UK Equity Fund, a sub-fund of abrdn OEIC I (the “Merging Fund”) into the abrdn UK Sustainable and Responsible Investment Equity Fund, a sub-fund of abrdn OEIC I (the “Continuing Fund”)

You are invested in the Merging Fund, so please read this letter carefully as it contains important information regarding a proposed merger in respect of the Merging Fund. Having read the letter, you may wish to consult with your financial adviser before taking any action. In this letter, unless the context requires otherwise, the terms shall have the meaning set out in the Glossary of the Circular (as defined below).

We, abrdn Fund Managers Limited (“abrdn”), are writing to provide you with the details of our proposal to merge the Merging Fund into the Continuing Fund. We refer to our proposal as the “Merger Proposal”.

As a Shareholder in the Merging Fund we are seeking your approval of the Merger Proposal which is outlined below. The enclosed ‘Information and Notice of Meeting to Shareholders’ contains a Scheme of Arrangement which sets out the terms and conditions of the merger and provides further detailed information about the Merger Proposal, and how you can vote on the Merger Proposal (the “Circular”).

Should you have any questions on the Merger Proposal, please call us on 0345 113 6966 or +44 (0) 1268 44 5488 if outside the UK. We are here between 9.00 am and 5.30 pm (UK time), Monday to Friday. Calls may be monitored and/or recorded to protect both you and us and help with our training. Please note that while we will be able to answer general questions on this letter and the Circular, we cannot provide financial advice.

Background to the Merger Proposal

We have undertaken a comprehensive review of our UK authorised fund range with the intention of offering better outcomes to investors. Funds were reviewed to identify those having similar investment objectives, investment policies and risk profiles. During the course of the review, at all junctures abrdn has considered investor impact and outcomes. The primary purpose of the review is to lead to a smaller, simplified UK authorised fund range, with the aim of having a clearer offering to investors, concentrating on our core investment management capabilities and allowing a greater focus on the funds which remain to ensure that we can offer the best outcome to investors. The review identified similarities between the Merging Fund and the Continuing Fund therefore it is proposed to merge the Funds as this will also offer potential benefits.

Comparison of the Merging Fund and the Continuing Fund

| | |
|--|--|
| Investment Objectives | Both the Merging Fund and the Continuing Fund aim to generate growth over the long term (5 years or more) by investing in UK equities (company shares). |
| Investment Policies | <p>Both Funds will invest at least 70% in UK equities and equity related securities.</p> <p>The Continuing Fund aims to meet its objective through a Sustainable and Responsible Investment Equity approach, which we believe positions the Continuing Fund better for longer term growth, while incorporating robust environmental, social and governance (“ESG”) considerations. This approach incorporates positive assessments to identify companies believed to be sustainable leaders or improvers. Leaders are viewed as having best in class ESG credentials or products and services which address global environmental and societal challenges, whilst improvers are typically companies with average governance, ESG management practices and disclosure with potential for improvement. As part of this approach the Continuing Fund applies a set of company exclusions which are related but not limited to, the principles of the United Nations Global Compact, tobacco manufacturing, thermal coal, gambling, oil & gas and weapons. Further detail is available in the investment approach document at www.abrdn.com under “Sustainable Investing”.</p> |
| Asset Similarity | The asset classes held by the Funds are broadly similar, though the equities held may not be the same due to the Funds’ differing investment approaches. The Funds’ permitted use of derivatives is identical. |
| Benchmark and Performance Target | Both Funds are managed to a similar performance target against the same benchmark. The Merging Fund seeks to achieve the performance target over a rolling three year period while the Continuing Fund seeks to achieve this over a rolling five year period. |
| Risk Profile and Synthetic Risk and Reward Indicator as set out in the Key Investor Information Document | These are the same for both Funds. |
| Performance History | The Continuing Fund has a stronger long term (5 years) track record and both Funds have performed similarly over the short term. |
| Ongoing Costs | The costs in the Continuing Fund are the same or lower than the Merging Fund, depending on the Share Classes. |

Due to these similarities and perceived benefits, we believe that the Merger Proposal will enable investors in the funds to realise the benefits of economies of scale, which will allow fund expenses to be spread over a larger pool of assets, and in turn, is expected to reduce the expenses paid per shareholder.

A comparison of the principal features of the Merging Fund and the Continuing Fund including a comparison of the investment objectives and policies is set out in Appendix 3 of the Circular. The Shares in the Continuing Fund may be subject to higher investment minima than the Shares in the Merging Fund. Where this is the case, these higher investment minima will be waived for shareholders moving from the Merging Fund to the Continuing Fund, such that shareholders will continue to be subject to the investment minima of the Merging Fund. A comparison of the investment minima of both Funds is set out in Appendix 3 of the Circular. Details of the past performance of the Merging Fund and the Continuing Fund is set out in Appendix 4 of the Circular.

Any direct costs relating to the merger will be paid for by abrdn, as set out in paragraph 12.4 of Appendix 1 of the Circular. However, in advance of the merger, the holdings in the Merging Fund will be bought and sold so the portfolio aligns to the strategy of the Continuing Fund, and the cost of this rebalancing exercise will be borne by shareholders in the Merging Fund that haven't chosen to redeem or switch their investments by 7 June 2023. We estimate this cost to be 0.67% of the value of the Merging Fund (i.e. a cost of £67 for every £10,000 held). In practice, these costs will be dependent on market conditions and the respective portfolios at the point of rebalancing and may be higher or lower. Please refer to paragraph 12.3 of Appendix 1 of the Circular for further details on the treatment of costs post-merger.

Proposed Changes

If Shareholders approve the Merger Proposal, the Merging Fund will be merged with the Continuing Fund, and this is currently planned for 23 June 2023.

The Merger Proposal involves the exchange of assets in the Merging Fund for Shares in the Continuing Fund so investors of the Merging Fund will become shareholders in the Continuing Fund. The Shares you hold in the Merging Fund will therefore be exchanged for equivalent Shares in the Continuing Fund. We have set out in Appendix 1 of the Circular the mapping of the Share Classes in the Merging Fund and the Share Class in which you will receive New Shares in the Continuing Fund.

We do not anticipate that there will be any tax implications as a result of the Merger Proposal for UK shareholders. For non-UK shareholders please refer to the Circular for further information.
