

No consideration of sustainability adverse impacts

pursuant to Article 4(1)(b) of Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability disclosures in the financial services sector (EU Sustainable Finance Disclosure Regulation, the "SFDR")

A company International Investment Platform, o.c.p., a.s., Einsteinova 24, 851 01 Bratislava, the Slovak Republic, ID No.: **35 771 801**, registered in the Business Register of the City Court Bratislava III, Section Sa, Insert No. 4532/B ("IIP") declares that, in accordance with the SFDR, it does not yet take into account the adverse effects of investment decisions on sustainability factors, due mainly to its size and the fact that it does not currently offer portfolio management products to new clients. Sustainability factors within the meaning of the SFDR are environmental, social or employment issues, respect for human rights and the fight against corruption.

IIP further declares that it intends to take into account the adverse impacts of its investment decisions on sustainability factors in accordance with the SFDR when designing a new investment product, and IIP will align its prudent business practices, in particular its investment management, risk management, conflict of interest and remuneration policies, with its sustainability policies within the meaning of the SFDR
