## **SFDR reclassification of two sub-funds of Franklin Templeton Investment Funds**

Dear Shareholder,

We would like to inform you that the board of directors of Franklin Templeton Investment Funds (the "**Company**") has decided, in light of investors' demand, to have the below listed sub-funds (the "**Funds**") reclassified from Article 6 to Article 8 under the Sustainable Finance Disclosure Regulation ("**SFDR**") and to create their SFDR related disclosures, in order to reflect the ESG methodology applied to the Funds, to translate the pre-existing process into the Company's prospectus (the "**Prospectus**") and to reinforce the Funds' binding commitments:

- Templeton Global Fund
- Templeton Growth (Euro) Fund

As a consequence of the above, please note that the following changes will be made to the Prospectus:

- (i) the SFDR precontractual disclosures for the Funds will be added to Appendix G of the Prospectus;
- (ii) the Investor Profile sub-section of the Funds will be updated to state that the Funds may appeal to investors looking to invest in funds compliant with Article 8 of the SFDR;
- (iii) "Sustainability risk" will be added to the list of risks which are particularly relevant for the Funds, under section "Risk Considerations"; and
- (iv) the following paragraph will be added to the Funds' investment policies to make reference to the Funds' SFDR precontractual disclosures:

*"The Investment Manager also considers Environmental, Social and Governance (ESG) factors as an integral component of its fundamental investment research and decision process. The Environmental and/or Social characteristics (within the meaning of Article 8 SFDR) promoted by the Fund are detailed in the Appendix G."*

### **Impact**

While the portfolio's composition of the Funds will be impacted by a slight reduction in the investment universe, the changes detailed above will have no material impact on the way the Funds are managed, their portfolio's composition, risk profile or SRI nor on the fees charged.

The above changes will become effective as from 27 August 2023 and will be reflected in an updated version of the Prospectus, a copy of which will be available online or at the registered office of the Company. Upon request of a shareholder, a draft KID and a draft of the SFDR precontractual disclosures of the Funds are available at the registered office of the Company.

All other features of the Funds remain the same.

**What you need to do**

You do not need to do anything if you are satisfied with the change. You also have the option to switch your shares into other funds of the Company provided that such funds are available for distribution in your country. You may also request a redemption of your investment. Should you wish to proceed with either option, please refer to the latest Prospectus terms. Such requests of switch or redemption will be executed free of charge, provided that they are received at the latest by 27 August 2023.
