De-notification of the FTIF – Templeton European Dividend Fund in Singapore and Hong Kong

Dear Shareholder,

As you have clients invested in Franklin Templeton Investment Funds (the “**Company**”), we wanted to advise you that the Templeton European Dividend Fund, a sub-fund of the Company (the “**Fund**”) will be de-authorized by the Securities and Futures Commission in Hong Kong (“**HK**”), de-authorized in Macau and de-registered as a recognized fund in Singapore (“**SG**”) due to the lack of investor interest in the Fund from the aforementioned regions.

Therefore, with effect from 31 August 2023:

1. The Fund cannot be offered to retail investors in HK and will no longer be authorized to distribute its shares to the investors in SG and Macau and you shall cease all marketing, distribution and offering activities for the Fund in HK, Macau and SG with immediate effect.
2. All subscription applications for the Fund (including follow-up investments) from HK retail investors, SG and Macau investors will not be accepted.

The existing investors may choose to stay invested in the Fund even after its de-authorization in HK and Macau and de-registration in SG. Otherwise, they may also choose to either (a) switch their shares into other sub-funds of the Company that are authorized for distribution in their regions (subject to the provisions of the offering documents of the Company and the relevant sub-funds) or (b) request a redemption of their investment.
