Re: Changes implemented by the new prospectus dated 20 October 2023

Dear shareholders,

We would like to inform you of the following changes to the prospectus of JSS Investmentfonds (the "**Prospectus**") that shall enter into effect as from 20 October 2023 (the "**Effective Date**"):

Amendment of SFDR Disclosures for the subfunds:

- **JSS Investmentfonds – JSS Sustainable Bond – Euro Broad**
- **JSS Investmentfonds – JSS Sustainable Equity – Global Climate 2035**
- **JSS Investmentfonds – JSS Sustainable Equity – Green Planet**

Within the Schedule "V: SFDR Disclosures" of the Prospectus, the applicable elements regarding the use of the ESG-related mechanism of the approved "*Science Based Targets initiative* ("**SBTi**")" have been clarified under the question: "*What are the binding elements of the investment strategy used to select the investments to attain the sustainable investment objective?*"..

The answer to such question under item "(b)" is amended as follows: "(b) *Mitigating ESG risks and harnessing ESG opportunities. Issuers which are A- or B-rated and active in the fossil fuel sector will be excluded if they ~~do not have~~ they lack an approved SBTi target ~~or if they~~. Issuers expected to get an approved SBTi target soon are ~~active in the fossil fuel sector~~ treated the same as those with one already in place;*".

The above mentioned changes are reflected in the updated Prospectus dated 20 October 2023.
