Lege Artis Fund Ltd.: Shareholder Information Letter

Dear Shareholder,

We refer to the revised offering memorandum dated 22 December 2023 which accompanies this communication ("**Revised Offering Memorandum**") and your investment in participating shares ("**Participating Shares**") in the Lege Artis Fund Ltd. ("**Fund**").

The directors of the Fund wish to inform you that, in general terms, the changes incorporated into the Revised Offering Memorandum are as follows.

Name Change from Lege Artis Fund Ltd. to Alprime Event Driven Fund Ltd.

To better reflect the investment policy of the Fund, the name of the Fund has been changed to Alprime Event Driven Fund Ltd, effective on 22 December 2023.

Establishment of new share classes – X Classes – Alprime Event Driven/Tiger Value Fund

The Fund is establishing new share classes, being the X Classes (comprising Class X1 and Class X), that will have a target allocation of 50% to Alprime Event Driven Fund Ltd. and 50% to Tiger Value Fund (a sub-fund of Tiger Fund, being a listed open-ended investment fund formed in Luxembourg).

The new share classes provide investors access to both investment funds with lower aggregate management and performance fees, and with a lower minimum investment amount, in each case than accessing such investment funds separately.

Existing holders of Participating Shares in the Alprime Event Driven Fund Ltd. are not directly affected by these changes. However, as is always the case, all Classes of Participating Shares are subject to cross-class liability risk.

Redemptions of all Classes of Participating Shares

The required notice period for redemptions of all Classes of Participating Shares has been reduced from 30 days to 6 Business Days.

Executive committee of the Investment Manager

Margrit Teuscher Bernhard has left, and Didier Tosi has joined, the executive committee of the Investment Manager.

No action by investors is required. Investors who do not approve the changes in the Offering Memorandum are free to redeem their Participating Shares, without penalty. The establishment of the new share classes and the reduction to the notice period for redemptions will become effective as of January 1st, 2024.
