Dear investor,

Liquidation of the Ninety One Latin American Smaller Companies Fund

We are writing to you as an investor in the Latin American Smaller Companies Fund (the 'Fund'), a sub-fund of the Ninety One Global Strategy Fund ('GSF'), to let you know of our decision to liquidate the Fund.

Our reasons for the liquidation and the options available to you are explained in more detail below.

You are encouraged to read this letter as it contains important information, but you do not necessarily have to take any action. The liquidation of the Fund does not require investor approval.

The effective date of the liquidation will be 20 February 2024. The Fund will be closed to new subscriptions and conversions-in from the date of the decision to liquidate the Fund, being on 16 January 2024, but will remain open to redemptions and conversions-out as further described in this letter.

Reasons for the liquidation

We have decided to liquidate the Fund due to its small size, which had assets of approximately US\$40 million as at 30 October 2023.

The Fund is at a size considered to be too small to continue to be managed efficiently, despite continued investment opportunities. We do not expect the Fund to increase in size in the immediate or foreseeable future as the Fund is not expected to attract significant new inflows.

We therefore believe that it is in the interests of all remaining investors to liquidate the Fund on 20 February 2024 in accordance with the rules set out in the Prospectus and article 41 of the Articles of Incorporation of GSF.

Your options

There are three options available to you as an investor in the Fund, detailed below.

If you do not choose option 1 (convert your investment) or option 2 (redeem your investment) by the times specified, option 3 (you take no action) will apply by default.

To protect the remaining investors from the costs of selling assets to meet redemptions and conversions-out requests prior to the effective date of the liquidation, we apply a dilution adjustment to the price of shares on any day on which the Fund sees net redemptions and we will continue to do so until the effective date of the liquidation. A dilution adjustment is not a charge levied on the Fund or investors, but rather a tool used to protect investors from trading costs incurred by selling assets as a result of redemptions and conversions-out.

Option 1: Convert your investment on or before 19 February 2024

If you wish to convert your investment in the Fund into an alternative fund within the GSF range, please submit your request in writing or by completing and returning the necessary Ninety One GSF Conversion Form on or before 5:00pm Luxembourg time¹ (which is 11:00am New York City time) on 19 February 2024. A dilution adjustment will apply as described above.

However, if the trade order cut-off time for the fund or share class in which you wish to convert your investment is earlier than 5:00pm Luxembourg time on 19 February 2024, we need to receive your conversion request on or before the earlier time. The Ninety One GSF Conversion Form can be found on our website www.ninetyone.com.

Please contact your usual financial advisor or your local Ninety One Fund Centre as detailed on the first page of this letter for details of other available funds within the GSF range and a copy of the form. The completed form or instruction should be sent to the postal address or fax number (for your Fund Centre) as detailed on the first page of this letter.

Neither GSF nor Ninety One will make any charges for such a conversion.

Option 2: Redeem your investment on or before 19 February 2024

If you wish to redeem your investment in the Fund, please submit your request in writing or by completing and returning a Ninety One GSF Redemption form, which can be found on our website www.ninetyone.com, on or before 5:00pm Luxembourg time¹ (which is 11:00am New York City time) on 19 February 2024. A dilution adjustment will apply as described above.

Your redemption instruction should be sent to the postal address or fax number (for your Fund Centre) as detailed on the first page of this letter.

Alternatively, for information on how to redeem your shares, please contact either your usual financial advisor or your local Ninety One Fund Centre as detailed on the first page of this letter.

The redemption will be carried out according to the procedure set out in GSF's Prospectus. Redemption proceeds can only be paid to you if we hold all necessary identification documentation. Subject to us having all the necessary identification documentation in respect of your investment in the Fund, the proceeds of the redemption will be paid to the bank account which we have on file for you three business days after date your redemption is processed. If you are unsure whether any identification documentation is outstanding, please do not hesitate to contact us.

Neither GSF nor Ninety One will make any charges for such a redemption.

¹For investors submitting conversion or redemption requests through the Fund/SERV dealing platforms of the National Securities Clearing Corporation in the US and Fundserv Inc. in Canada your conversion or redemption instruction must be received on or before 4:00pm New York City time (which is 10:00pm Luxembourg time) on 19 February 2024 (unless you wish to convert into a fund or share class with an earlier trade order cut-off time, in which case your instruction must be received on or before the earlier time).

Option 3: You take no action and your investment is automatically redeemed

Dealing in the shares of the Fund will cease immediately after 10:00pm Luxembourg time (which is 4:00pm New York City time) on 20 February 2024. The remaining assets of the Fund will be sold and all the shares in issue in the Fund will be compulsorily redeemed at the net asset value per share on that date. You will receive payment in respect of your proportionate share of the proceeds in the Fund. Following this redemption the Fund will be closed.

Subject to us having all the necessary identification documentation in respect of your investment in the Fund, the proceeds of the redemption will be paid to the bank account which we have on file for you on 23 February 2024. If you are unsure whether any identification documentation is outstanding, please do not hesitate to contact us. Payments will be made in the currency of the share class in which you are invested, except in the case where you have indicated that payments should be made in your preferred currency.

Any liquidation proceeds which remain in the Fund and which the Fund is not able to distribute upon liquidation of the Fund will be deposited with the Caisse de Consignation on behalf of the persons entitled to them. If not claimed, they shall be forfeited after 30 years.

In the event that the Fund will receive any additional monies in connection with its liquidated assets or its operations after the effective date of the liquidation, these will be paid to you. If any such payment amount would be less than US\$50 per investor (or its currency equivalent), we reserve the right not to pay it but instead to donate it to a charity of our choice.

Neither GSF nor Ninety One will make any charges for the redemption.

Liquidation process

In order to appropriately manage the liquidation of the Fund in the best interests of investors, from the date of this letter the Fund may begin to reduce its investment exposure by selling some of its assets in the period leading up to the liquidation, in a manner the Investment Manager and the Sub-Investment Manager may determine appropriate. During this period the Fund may no longer be fully invested in accordance with its investment policy or guidelines and may hold higher levels of cash.

Costs

The liquidation of the Fund will require the sale of the assets of the Fund, the cost of which will be borne in full by the Fund and is estimated at 0.10% of the net asset value (as at 10 November 2023). So for every US\$100 invested, the cost would be no more than 10 cents. Other costs associated with the liquidation, such as legal and mailing costs will be paid by GSF and these costs have been taken into account for the purposes of valuing the Fund.

Contract notes

For all of the options above, a contract note will be sent to you or, if applicable, your advisor. This will include the number of shares dealt, the share price received and the proceeds payable (where applicable).

ISINs

The following share classes and ISINs will cease to exist following the liquidation of the Fund:

| Fund and Share Class | ISIN Code |
