Dear Shareholder,

We are writing to you as a Shareholder in Invesco Sustainable Global Income Fund (the "Receiving Fund"), a sub-fund of Invesco Funds (hereinafter referred to as "Invesco Funds" or the "SICAV").

In this circular, you will find explanations about our proposal to merge:

- The share classes (with the exception of the "A1" Share class) of the Invesco Global Targeted Returns Fund (the "Merging Fund"),
- into Invesco Sustainable Global Income Fund (the "Receiving Fund"),

both sub-funds of the SICAV are authorised by the Commission de Surveillance du Secteur Financier (the "CSSF").

The effective date of the proposed merger is 15 March 2024, or a later date as may be determined by the Directors which may be up to four (4) weeks later, subject to the prior approval of a later date by the CSSF and immediate notification of same to the Shareholders in writing (the "Effective Date"). In the event that the Directors approve a later Effective Date, they may also make such consequential adjustments to the other elements in the timetable of the merger as they consider appropriate.

A. Terms of the proposed merger

A 1. Background to and rationale for the proposed merger

Invesco Funds is registered with the "Registre de Commerce et des Sociétés" of Luxembourg under Number B34457 and qualifies as an open-ended "société d'investissement à capital variable". Invesco Funds is organised as an umbrella UCITS fund with segregated liability between sub-funds pursuant to the 2010 Law.

The Invesco Global Targeted Returns Fund was approved by the CSSF and launched on 12 December 2013 as a sub-fund of Invesco Funds.

An internal assessment of the continuing commerciality, product fit and future demand of the "Global Targeted Return" franchise has been carried out at Invesco. Having considered the strategic direction of the product, the Directors have considered the product's future potential and believed that the Invesco Global Targeted Returns Fund is unlikely to raise significant assets due to a market-wide lack of client demand for targeted return strategies.

The assets under management of the Invesco Global Targeted Returns Fund (EUR 302.57 million as of 30 September 2023) have significantly declined over time; this is both reflective of a decrease in client appetite for targeted return strategies and a reaction to the disappointing return profile over a number of years, despite performance improving over the past year. In light of this, the Directors have decided to merge the Merging Fund (as further described below) into the Receiving Fund considering they do not expect to raise subscriptions in the near future. The Receiving Fund was approved by the CSSF and launched on 15 December 2022 as a sub-fund of Invesco Funds.

The Directors believe that the Receiving Fund is a suitable target fund, being a mixed asset funds with a better growth potential and is managed according to Article 9 of the Sustainable Finance Disclosure Regulation ("SFDR").

A 2. The investment objective and policy and risk profile of the Receiving Fund

The investment objective and policy will remain unchanged. The same applies to the risk profile of the Receiving Fund.

A 3. Impact on the portfolio and performance of the Receiving Fund

The proposed merger will have no significant impact on the composition of the portfolio. The relevant realignment of the assets of the Merging Fund will be completed in advance of the proposed merger. A realignment of the portfolio of the Receiving Fund before or after the proposed merger will not be required.

It should be noted that there are multiple assets in the Merging Fund, which are valued at zero or have a minimal value due to ongoing litigation. In order to complete the terms of the merger, such assets will be transferred to the Receiving Fund on the Effective Date. It is possible therefore that the Receiving Fund holds assets that are not aligned with its ESG criteria. As at 23rd October 2023 such assets represent 0.01% of the NAV of the Merging Fund.

The Directors also believe that this proposed merger should not entail a dilution in performance of the Receiving Fund.

A 4. Expected impact of the proposed merger on the Shareholders of the Receiving Fund

As a result of the proposed merger, on the Effective Date, the Merging Fund will transfer its assets and liabilities (except those which are allocated to the "A1" Shares) to the Receiving Fund.

Once the proposed merger is completed, Shareholders in the Receiving Fund will continue to hold the same Shares in the Receiving Fund as before. There will be no change in the rights attaching to such Shares. The implementation of the proposed merger will not affect the fee structure of the Receiving Fund.

The costs of the proposed merger will be borne by Invesco Management S.A., the Management Company.

A 5. Shareholder Rights

No vote of the Shareholders in the Receiving Fund is required in order to carry out this merger.

If the effects of the proposed merger do not suit your requirements, please be aware that you can redeem your Shares in the Receiving Fund, **without any redemption charges**. Redemptions will be carried out in accordance with the Prospectus.

Please note that a redemption/switch would amount to a disposal of your interests in the Receiving Fund and may have tax consequences.

The merger will be binding on all the Shareholders who have not exercised their right to redeem/switch their Shares.

If you are in any doubt as to your individual tax position, you should consult your professional advisers.

The rights of the Shareholders remain otherwise unchanged.

For the avoidance of doubt, kindly note that there will be no suspension of dealings in the Receiving Fund to complete the proposed merger.

A 6. Fees and expenses

The implementation of the proposed merger will not affect the fee structure of the existing Share class in the Receiving Fund which will remain the same. In addition, it is hoped that the increased size of the assets under management of the Receiving Fund that results from the proposed merger will help reduce costs further over time.

B. Costs relating to the proposed merger

The Management Company will bear all costs and expenses incurred by the Receiving Fund resulting from or incidental to the implementation of the proposed merger.

The Management Company will pay any foreign taxes and duties payable upon the absorption by the Receiving Fund of the property of the Merging Fund, as a result of the implementation of the proposed merger.

C. Availability of documents and information about the Receiving Fund
