

Notice to Shareholders of: *Amundi Funds - Global Macro Bonds & Currencies Low Vol*

Liquidation

Global Macro Bonds & Currencies Low Vol (the “Sub-Fund”)

Shareholders are hereby informed that the Board of Directors (the “**Board**”) of AMUNDI FUNDS (the “**Fund**”) has decided, with the approval of **Caceis Bank, Luxembourg branch** to liquidate the Sub-Fund, in accordance with Article 31 of the Fund’s articles of incorporation (the “**Articles**”).

The decision to liquidate the Sub-Fund has been taken in accordance with the Fund’s Articles and Prospectus which state that the Board is authorised to liquidate a sub-fund once this liquidation is part of a project of rationalization.

To ensure an equal treatment between all shareholders, subscriptions and conversions of shares into the Sub-Fund will no longer be accepted after **22 April 2024 at 14.00** (Luxembourg time). After this date and time, any subscription or conversion request into the Sub-Fund will be rejected.

Shareholders may continue to request the redemption or the conversion of their shares out the Sub-Fund at the applicable Net Asset Value per share (taking into account accrued liquidation costs) calculated on the relevant Valuation Day until **05 July 2024 at 14.00** (Luxembourg time) (the “**Last Redemption Day**”). After this date and time, any redemption will be rejected. Please note, when switching shares into another sub-fund of the Fund, a fee equal to the difference between the sales charges may apply. We remind you that, in accordance with the provisions of the Articles and the Prospectus of the Fund, the Sub-Fund will not be obliged to process redemption requests exceeding in total either 10% of its outstanding shares or 10% of its net assets. In such case, the Sub-Fund can reduce the requests on a pro rata basis to meet the 10% limit and defer unfulfilled portions to the next Valuation Day, except on the Last Redemption Day where unfulfilled portions are cancelled.

Any costs or expenses related to the liquidation of the Sub-Fund will be charged to the Sub-Fund and provisioned as from the date of the decision to liquidate the Sub-Fund.

Please note that as from the liquidation starting date as of **08 July 2024**, the Sub-Fund will commence the orderly wind-down of its investments. As a result, the Sub-Fund’s relevant investment objective, policy and restrictions will not be observed anymore.

Following the disposal of underlying assets of the Sub-Fund, the Board considers making a payment to shareholders on the basis of a final valuation day anticipated on or about **22 July 2024**, i.e. the effective

date. Any liquidation proceeds which cannot be distributed to shareholders will be deposited on their behalf with the Caisse de Consignation in Luxembourg.
