We are writing to you as an investor in the Global Macro Allocation Fund (the 'Receiving Fund'), a sub-fund of the Ninety One Global Strategy Fund ('GSF'), to inform you of our plans to merge the Global Multi-Asset Sustainable Growth Fund and Global Multi-Asset Sustainable Growth Fund (Euro) (the 'Merging Funds'), which are also a sub-funds of GSF, into the Receiving Fund. We refer to this as the 'merger' throughout this letter.

The merger will be effective at 4:01 p.m. New York City time (which is 10:01 p.m. Luxembourg time) on 19 July 2024 and does not require the approval of investors. The merger will have no cost to you, it will not change the way in which the Receiving Fund is managed and, following the merger, the total assets of the Receiving Fund are expected to increase.

We recommend investors read this notice carefully in order to understand the implications of the merger. Details of the share classes affected are in Section 1 of the Appendix. You do not need to take any action in relation to this letter. However, you are encouraged to read it so you are aware of the merger into the Receiving Fund. 3. Background and rationale for the merger

We regularly review the GSF range of funds to ensure that it continues to offer investors the very best of Ninety One's long-term investment management expertise. Our review includes planning for those funds that are unlikely to grow their investor base. This included the Merging Funds, which we have subsequently decided to merge into the Receiving Fund.

In recent years, the Merging Funds have reduced in size and had combined assets under management of approximately US\$222.5 million (as at 29 February 2024). The Merging Funds have also not achieved their intended performance return over this time. There is low anticipated future demand for the Merging Funds and their decline in assets under management is expected to continue. As a fund's size decreases, the ongoing charges and transaction costs may increase when measured as a percentage of investment value. This is because some charges are fixed and, therefore, become more concentrated in a smaller fund. Additionally, smaller funds can experience difficulties in implementing investment ideas in the most efficient way. For these reasons we believe that it will no longer be in the interests of investors to continue running the Merging Funds.

Rather than liquidating the Merging Funds, which would incur liquidation costs and have potential tax consequences for its investors, we believe that it is in the interests of investors in the Merging Funds to merge it into the Receiving Fund, which is also a multi-asset fund.

4. Benefits to investors in the Receiving Fund

Following the merger, the total assets of the Receiving Fund are expected to see an increase of approximately US\$222.5 million (as at 29 February 2024). This is assuming that the Merging Funds do not suffer further significant redemptions prior to the merger and the assets of the Merging Funds are transferred to the Receiving Fund. A larger Receiving Fund will allow the Investment Manager to allocate investments more efficiently and investors may also benefit from increased economies of scale and cost efficiencies.

5. Key information regarding the merger

5.1. Comparison of the rights of investors in the Merging Funds and the Receiving Fund

All share classes of the Merging Funds will be merged into the corresponding share classes of the Receiving Fund with the same currency denomination.

All investors in the Merging Funds will receive shares in the Receiving Fund to the equivalent value of those shares that they hold in the Merging Funds on the 19 July 2024.

Investors in the Merging Funds will acquire rights as investors in the Receiving Fund from 4:01 p.m. New York City time (which is 10:01 p.m. Luxembourg time) on 19 July 2024.

5.2. Impact of the merger on fees and Ongoing Charges figure for the Receiving Fund

The merger will not result in any change in the fees charged in the Receiving Fund. The merger will not result in an increase to the Ongoing Charges figure for the Receiving Fund and may overtime lead to a decrease due to the increased size of the Receiving Fund following the merger.

5.3. Investment Manager

Ninety One UK Limited is the Investment Manager for both the Merging Funds and the Receiving Fund. Both the Receiving Fund and the Merging Funds are managed by the Investment Manager's Multi-Asset investment team.

5.4. Performance Fees

There are no performance fees currently applied to the Receiving Fund.

5.5. Impact of the merger on the Receiving Fund's portfolio

The merger will have no impact on the Receiving Fund's asset allocation.

5.6. Costs of the merger

The legal, administrative and advisory costs of the merger, if any, will be paid by GSF's Management Company, Ninety One Luxembourg S.A.

There will be no cost to investors in the Receiving Fund arising from this merger.

5.7. Accrued income

There will not be a special distribution of any accrued income in the Receiving Fund in connection with the merger before the effective date.

6. Option to redeem or switch

If you believe that the Receiving Fund will not suit your investment requirements after the merger, you may switch your investment into an alternative sub-fund within the GSF range or redeem your investment. If you wish to switch or redeem prior to the effective date of the merger, instructions must be received by 5:00 p.m. Luxembourg time¹ (which is 11:00 a.m. New York time) on 16 July 2024. You will not be charged for any such switch or redemption by Ninety One.

¹ For investors submitting conversion or redemption requests through the Fund/SERV dealing platforms of the National Securities Clearing Corporation in the US and Fundserv Inc. in Canada your conversion or redemption instruction must be received on or before 4:00 p.m. New York City time (which is 10:00 p.m. Luxembourg time) on 16 July 2024 (unless you wish to convert into a fund or share class with an earlier trade order cut-off time, in which case your instruction must be received on or before the earlier time).

7. Procedural aspects of the merger

7.1. Effective date of the merger

The effective date and time of the merger will be at 4:01 p.m. New York City time (which is 10:01 p.m. Luxembourg time) on 19 July 2024.

Please note that under the terms of GSF's Articles of Incorporation, no investor vote is required in order to carry out the merger.

7.3. Merger report

The GSF's statutory auditor, PricewaterhouseCoopers, société coopérative, will prepare an auditor's report in respect of the merger. The merger report will include a validation of the following items:
