

Proposal approved: Global Multi-Asset Sustainable Growth Fund

We wrote to investors on 2 May 2024 with respect of proposed changes to the Global Multi-Asset Sustainable Growth Fund (the 'Fund'), a sub-fund of the Ninety One Funds Series iv and the opportunity for affected shareholders to participate in a vote in relation to these changes.

The proposal was to merge the Global Multi-Asset Sustainable Growth Fund into the Global Macro Allocation Fund.

Following the Investor Meeting, we are pleased to inform you that the proposal has been approved by shareholders.

This means that the Global Multi-Asset Sustainable Growth Fund (a sub-fund of Ninety One Funds Series iv) will merge into the Global Macro Allocation Fund (a sub-fund of Ninety One Funds Series i), effective 14 June 2024.

The Proposal Information Pack applicable to these changes can be found in the 'Fund announcements' section of the Literature library of the website.
