**IMPORTANT INFORMATION – abrdn Global Focused Equity Fund
FUND MERGER PROPOSAL – ACTION REQUIRED**

Dear Investor,

Proposed merger of the abrdn Global Focused Equity Fund, a sub-fund of abrdn OEIC II (the “Merging Fund”) into the abrdn Global Equity Fund, a sub-fund of abrdn OEIC I (the “Continuing Fund”)

You are invested in the Merging Fund, so please read this letter carefully as it contains important information regarding a proposed merger in respect of the Merging Fund. Having read the letter, you may wish to consult with your financial adviser before taking any action. In this letter, unless the context requires otherwise, the terms shall have the meaning set out in the Glossary of the Circular (as defined below).

We, abrdn Fund Managers Limited (“abrdn”), are writing to give you details of our proposal to merge the Merging Fund into the Continuing Fund. We refer to our proposal as the “Merger Proposal”.

As a Shareholder in the Merging Fund we are seeking your approval of the Merger Proposal which is outlined below. The enclosed ‘Information and Notice of Meeting to Shareholders’ contains a Scheme of Arrangement which sets out the terms and conditions of the merger and provides further detailed information about the Merger Proposal, and how you can vote on the Merger Proposal (the “Circular”).

If you have any questions on the Merger Proposal, please call us on 0345 113 6966 or +44 (0) 1268 44 5488 if outside the UK. We are here between 9.00 am and 5.30 pm (UK time), Monday to Friday, call charges may vary. Calls may be monitored and/or recorded to protect both you and us and help with our training. Please note that while we will be able to answer general questions on this letter and the Circular, we can’t provide financial advice.

Background to the Merger Proposal

We have undertaken a comprehensive review of our UK authorised fund range with the intention of offering better outcomes to investors. Funds were reviewed to identify those having similar investment objectives, investment policies and risk profiles. During the course of the review, abrdn has considered investor impact and outcomes. The primary purpose of the review is to lead to a smaller, simplified UK authorised fund range, with the aim of having a clearer offering to investors, concentrating on our core investment management capabilities and allowing a greater focus on the funds which remain to ensure that we can offer the best outcome to investors.

The Merging Fund has reduced in size over recent years however we consider that investment in global companies continues to present attractive long term growth opportunities. Whilst we understand the Merger Proposal results in a change for investors, given the move from a fund which has a more concentrated portfolio (see definition below) to a fund that has a more diverse portfolio, we believe it is in the best interest of investors to offer a merger into another actively managed fund investing in global companies.

Comparison of the Merging Fund and the Continuing Fund

Investment Objectives	Both Funds aim to generate growth over the long term (5 years or more) by investing in global companies.
Investment Policies and Asset Similarity	<p>Both Funds will invest in global companies. The Merging Fund invests at least 70% in global companies, whilst the Continuing Fund invests at least 80% in global companies. The Merging Fund has a concentrated (invests in a smaller number of global companies) portfolio, whilst the Continuing Fund will maintain a more diverse portfolio.</p> <p>Whilst both Funds have similar investment policies regarding permitted securities, the approach to selecting companies for investment is different. The Merging Fund has a focus on investing in a concentrated portfolio (i.e. invests in a smaller number of companies) of the highest conviction investment ideas of the management team in companies of all sizes whereas the Continuing Fund has a research process which is focused on finding high quality companies at attractive valuations that can be held for the long term.</p> <p>The permitted use of derivatives is identical.</p>
Performance Target, Performance Comparator and Portfolio Constraining Benchmark.	<p>Each Fund aims to achieve the return of the MSCI AC World Index plus 3% per annum; however, the Merging Fund aims to achieve this over rolling five-year periods while the Continuing Fund aims to achieve this over rolling three-year periods.</p> <p>The Merging Fund has a Performance Comparator (IA's Global Equity sector) whereas the Continuing Fund does not.</p>
Risk Profile and Synthetic Risk and Reward Indicator as set out in the Key Investor Information Document	The Continuing Fund has a lower Synthetic Risk and Reward Indicator of 5 compared to the Merging Fund with a Synthetic Risk and Reward Indicator of 6.
Performance History	The Continuing Fund has performed better historically over the long term.
Ongoing Costs	The ongoing costs in the Continuing Fund are the same or lower than the Merging Fund.

We believe there will be an overall net benefit to investors provided by the opportunity to continue to invest in global companies provided by the Continuing Fund which given its historically better performance is expected to more effectively deliver the investment objective for all investors.

A comparison of the principal features of the Merging Fund and the Continuing Fund including a comparison of the investment objectives and policies is set out in Appendix 3 of the Circular. The Shares in the Continuing Fund may be subject to higher investment minimum levels than the Shares in the Merging Fund. Where this is the case, these higher investment minimum levels will be waived for shareholders moving from the Merging Fund to the Continuing Fund, such that shareholders will continue to be subject to the investment minimum levels of the Merging Fund. A comparison of the investment minimum levels of both Funds is set out in Appendix 3 of the Circular. Details of the past performance of the Merging Fund and the Continuing Fund is set out in Appendix 4 of the Circular.

Any direct costs relating to the merger will be paid for by abrdn, as set out in paragraph 12.4 of Appendix 1 of the Circular. However, in advance of the merger, the holdings in the Merging Fund will be bought and sold so the portfolio aligns to the strategy of the Continuing Fund, and the cost of this rebalancing exercise will be borne by shareholders in the Merging Fund that haven't chosen to redeem or switch their investments by 12 September 2024. We estimate this cost to be 0.38% of the value of the Merging Fund (i.e. a cost of £38 for every £10,000 held). In practice, these costs will be dependent on market conditions and the respective portfolios at the point of rebalancing and may be higher or lower. Please refer to paragraph 12.3 of Appendix 1 of the Circular for further details on the treatment of costs post-merger.

Proposed Changes

If Shareholders approve the Merger Proposal, the Merging Fund will be merged with the Continuing Fund, and this is currently planned for 27 September 2024.

The Merger Proposal involves the exchange of assets in the Merging Fund for Shares in the Continuing Fund so investors of the Merging Fund will become shareholders in the Continuing Fund. The Shares you hold in the Merging Fund will therefore be exchanged for equivalent Shares in the Continuing Fund. We have set out in Appendix 1 of the Circular the mapping of the Share Classes in the Merging Fund and the Share Class in which you will receive New Shares in the Continuing Fund.

We do not anticipate that there will be any tax implications as a result of the Merger Proposal for UK shareholders. For non-UK shareholders please refer to the Circular for further information.
