

**REGISTERED POST**

Luxembourg, 27 August 2024

**NOTICE TO SHAREHOLDERS**

Dear Shareholders,

The Board of Directors wishes to inform you of the following:

**1/ Change in the definition of the R2 Share Class**

The definition of the R2 Share Class is amended following the creation of new VB shares.

The R2 Share Class is reserved for distributors and/or intermediaries approved by the Management Company who will not receive any form of remuneration for investments in this class from an entity of the Candriam group, if the final investments in the shares are made in the context of a mandate.

**The share class is not accessible to UCIs approved by the Management Company anymore.**

As a consequence, the Shareholders present in the R2 share class who do not meet the conditions for accessing this R2 share class anymore will have their shares converted into share classes of another appropriate share class.

**2/ Candriam Sustainable Equity Children**

The Sub-Fund **Candriam Sustainable Equity Children** has defined different sustainability indicators to measure the attainment of its sustainable investment objective.

The two following indicators - (i) *to have a weighted average ESG score of the portfolio higher than the weighted average ESG score of the benchmark* (ii) *eligible companies need to have individual revenue/capex/orderbook exposure to the activities contributing to children's essentials and/or development of at least 10%* - remain unchanged.

However, in order to grant more flexibility for the portfolio management and to enable the portfolio manager to better express his convictions given the limited universe of available investments, it has been decided to amend the third indicator - *to invest in a portfolio of companies where a minimum of 50% of the weighted average revenues are linked to business activities that contribute to provide essential services (clean water, sanitation, healthcare, nutrition, etc.) and/or to provide products/services that contribute to children's development (education, financial inclusion, sports/leisure, etc.)* - **to reduce this proportion to at least 30%.**

The PCD of that sub-fund will be amended accordingly.

**3/ Processing of personal data**

Shareholders are invited to consult the information on the processing of personal data contained in a dedicated section of the Prospectus : 26. Processing of personal data.

**4/ Notices to shareholders**

Shareholders are informed that notices to shareholders, including convening notices to general meetings, shall be sent to the shareholders by registered letter to their address entered in the register of shareholders, or by any other means of communication (including e-mail) that meets the conditions laid down by the law of August 10, 1915 on commercial companies and has been accepted by the shareholder. Any shareholder who fails to notify the SICAV of his or her e-mail address will be deemed to have refused all electronic communications.
