NOTICE TO SHAREHOLDERS

Dear Shareholders,

The Board of Directors wishes to inform you of the following:

1/ Candriam Sustainable Equity Children

The Sub-Fund **Candriam Sustainable Equity Children** has defined different sustainability indicators to measure the attainment of its sustainable investment objective.

The two following indicators - (i) *to have a weighted average ESG score of the portfolio higher than the weighted average ESG score of the benchmark* (ii) *eligible companies need to have individual revenue/capex/orderbook exposure to the activities contributing to children's essentials and/or development of at least 10%* - remain unchanged.

However, in order to grant more flexibility for the portfolio management and to enable the portfolio manager to better express his convictions given the limited universe of available investments, it has been decided to amend the third indicator - *to invest in a portfolio of companies where a minimum of 50% of the weighted average revenues are linked to business activities that contribute to provide essential services (clean water, sanitation, healthcare, nutrition, etc.) and/or to provide products/services that contribute to children's development (education, financial inclusion, sports/leisure, etc.)* - **to reduce this proportion to at least 30%.**

The PCD of that sub-fund will be amended accordingly.

2/ Tracking error range

Based on the level of tracking errors calculated, the Board of Directors decides, in accordance with the Management Company, to adapt the expected range for the Sub-Fund **Candriam Sustainable Equity World**: the tracking error of the Sub-Fund is moderate to important, this is comprised between 2% and 6% (range was comprised between 1% and 3.5% previously).

3/ Processing of personal data

Shareholders are invited to consult the information on the processing of personal data contained in a dedicated section of the Prospectus : 26. Processing of personal data.
