Dear Shareholder,

abrdn SICAV II

We are writing to inform you of the changes that the Board of Directors of abrdn SICAV II (the “**Company**”) proposes to make to the Company and certain of its sub-funds (the “**Funds**”) with effect from 30 September 2024 (the “**Effective Date**”). The principal proposed changes are detailed in this letter.

Capitalised terms used in this letter shall have the same meaning as set out in the latest version of the prospectus of the Company (the “**Prospectus**”) unless the context otherwise requires.

Change of Transfer Agent

Notice is hereby given to the shareholders of the Company that the role of Transfer Agent is intended to be fully delegated by the Management Company and the following changes will be implemented with effect as of the Effective Date.

The Management Company will no longer act as the transfer agent and registrar for the Company and will be replaced by International Financial Data Services (Luxembourg) S.A., a current Data Processing Agent, which will act as the transfer agent and registrar (the “**New Transfer Agent**”) in replacement of the Management Company with effect as of the Effective Date. The remaining Data Processing Agents (SS&C Financial Services Europe Limited and SS&C Financial Services International Limited) will continue to act as Data Processing Agents (the “**Continuing Data Processing Agents**”).

This change intends to further improve and align the operating model within the abrdn range for the benefit of investors and ensure it remains in line with regulatory developments. The New Transfer Agent is currently a strategic provider with whom abrdn have a long-standing relationship. They have a proven track record of working with abrdn in the UK and Luxembourg and will provide abrdn with consistent oversight and a streamlined operating model. In addition, the New Transfer Agent, as an established Luxembourg transfer agent for a number of other Luxembourg SICAVs, can help implement new technologies and provide improved development processes for the entire abrdn SICAV fund range.

The New Transfer Agent will carry out the same duties and responsibilities that are currently carried out by the Management Company as Transfer Agent and there will be no material change to such duties and responsibilities. The Continuing Data Processing Agents will continue to carry out their existing duties as Data Processing Agents and there will be no material change to such duties and responsibilities. The New Transfer Agent and Continuing Data Processing Agents will also continue to operate as currently disclosed in the Prospectus. The Management Company will be responsible for the oversight and monitoring of the New Transfer Agent.
