Matters being presented to Shareholders for approval

Point 3: Approval of the Annual Financial Statements for the financial year ended 30 April 2024

Luxembourg company law requires that the Annual Financial Statements are presented to shareholders at the AGM for approval. The Annual Financial Statements have been considered by the Board of Directors of the Funds and are recommended to you for approval.

Point 4: Discharge of the Board with respect to the performance of their duties for the year ended 30 April 2024

After the adoption of the Annual Financial Statements, the AGM should also vote specifically on whether discharge is to be given to the Directors. Such discharge is only valid if the annual accounts contain no omission or false information concealing the true situation of the Fund.

Point 5: Re-election of the following Directors until the next annual general meeting of shareholders, which will be held in 2025.

In accordance with the Articles of Incorporation of the Fund, all current Directors will retire at the AGM. The following Directors are standing for re-election:

- i. Mr Jeffrey Lagarce (Chair)
- ii. Ms Anouk Agnes
- iii. Dr Yousef Al-Awadi
- iv. Mr Romain Boscher
- v. Mr Didier Cherpitel
- vi. Ms Carine Feipel
- vii. Ms Anne Richards
- viii. Mr Jon Skillman
- ix. FIL (Luxembourg) S.A.

A short biography for each of the abovementioned Directors is provided as an appendix to this letter for information. Out of the nine Directors offering themselves for re-election at this AGM, seven are considered non-executive of which three are considered by the Board to be independent, and two executive Directors.

The composition of the Board is kept under regular review and it is considered that it has a diverse mix of expertise, skills and backgrounds.

Point 6: Approval of the payment of Directors' fees for the year ended 30 April 2024.

As detailed in the Annual Financial Statements, each of the Directors are entitled to an annual fee of €50,000; the Chair is entitled to an annual fee of €100,000. There is an additional attendance fee of €5,000 for each meeting attended.

Taking into account those Directors that have waived their fees, as detailed in the Annual Report and Accounts, the total fees earned by the Directors in respect of services rendered for the year ended 30 April 2024 were \$360,246.

The level of fees is reviewed on a regular basis, most recently in July 2020. It is believed that the level of fee is appropriate for the level of experience and expertise of the Directors.
