

Dear All,

Please be advised that we are making some changes to the CT Asia Fund, a sub-fund of Columbia Threadneedle Investment Funds (UK) ICVC, as detailed below.

We are making changes to the Investment Policy of the Fund to broaden its regional exposure, to include investment in companies in the wider Asia Pacific region. We are also taking the opportunity to change the name of the Fund to the **'CT Asia Pacific Fund'** to reflect the Investment Policy changes.

Please note that the benchmark name change will need to be updated for the CT UK Smaller Companies Fund on 1 November from 'Numis Smaller Companies Index ex Investment Companies' to **'Deutsche Numis Smaller Companies Index ex Investment Companies'**.

The changes will be effective 1 November, 2024.
