**Re: Polar Capital Funds plc (the “Company”),
Global Technology Fund (the “Fund”).**

Dear Shareholder,

Following on from our correspondence of 21 November 2024 wherein we advised of a proposed update to the Supplement for the Fund to state that the Fund is not restricted in the amount that it can invest in emerging markets, we wish to advise of the following additional updates which are proposed to the Supplement, namely:

- The removal of performance fees across all share classes
- The removal of the minimum investment amount for Class I shares.

It is expected that the above changes, which shall include the change in respect of emerging market exposure, will take effect from 2 January 2025, subject to Central Bank approval.

An updated Supplement will be available on www.polarcapital.co.uk.

Should you have any queries in respect of this notification please contact Steve Woods at Polar Capital on + 44 207 227 2700, or email: investor-relations@polarcapital.co.uk.

Yours faithfully,
