

TO ALL STAKEHOLDERS

4 February 2025

Dear Stakeholder,

Navigator Global Fund Manager Platform SPC (In Official Liquidation) (the “Company”)

Motus Income Fund (the “Segregated Portfolio”)

1. Appointment

I refer to the initial letter to stakeholders sent on 7 January 2025.

As previously mentioned, pursuant to an Order of the Grand Court of the Cayman Islands, dated 12 December 2024 (the “**Order**”), the Company was placed into official liquidation and Mr. Martin Trott and Mr. Owen Walker of R&H Restructuring (Cayman) Ltd, PO Box 897, Windward 1, Regatta Office Park, West Bay Road, Grand Cayman KY1-1103 have been appointed as Joint Official Liquidators (the “**JOLs**”) of the Company.

By virtue of the above-mentioned appointment, the JOLs control all 13 of the Company’s underlying Segregated Portfolios, namely, (1) Atmosphere Fund SP, (2) Carlton James Diversified Alpha Fund SP, (3) Fenchurch Legal Fund SP, (4) Hermione Fund SP, (5) Infinity Debt Fund SP, (6) Infinity Multi Strategy Total Return Fund SP, (7) Insight Media Fund Segregated Portfolio SP, (8) Lexicon Capital Alpha Fund SP, (9) Motus Income Fund, (10) Quantus Value Fund SP, (11) The Darcy Jones Fund SP, (12) Endemaj Multi Asset Fund SP and (13) Minerva Fund SP (together, the “**Segregated Portfolios**”).

Accordingly, all powers of management of the assets, property and business of the Company (including its Segregated Portfolios) now vests in the JOLs. As a result, no action or instruction may be given or received by the Company (including on behalf of any of its Segregated Portfolios) without the express permission of the JOLs.

2. Solvency Determination in relation to the Company

As previously mentioned, in accordance with their duties under the Cayman Islands Companies Winding Up Rules (2023 Consolidation) (“**CWR**”), the JOLs are required to determine whether the Company should be regarded as being solvent, insolvent or of doubtful solvency.

Upon our initial assessment and on the basis of limited information available to the JOLs, the JOLs had determined that the Company should be regarded as of **doubtful solvency**.

Since our initial letter, additional investigations have been undertaken by the JOLS and further information has been obtained and considered. In light of this, the JOLS have determined that the general assets of the Company are unlikely to be sufficient to meet the general liabilities of the Company, such that the Company should be regarded as ***insolvent***.

The reference to *general* assets and liabilities of the Company is to be contrasted with the *specific* assets and liabilities of the Company's various Segregated Portfolios. The strict separation of assets and liabilities of the Company and its Segregated Portfolios (and each of them) is known as the "segregation principle". This ring-fencing of assets and liabilities is an essential feature of the Cayman Islands segregated portfolio company structure and, importantly, it applies equally during the operational life of the Company and during its winding up.

Periodically, the JOLS will reconsider this determination in accordance with the CWR and if or when they consider their determination in relation to the Company's solvency may no longer be justified, the JOLS will re-consider the matter and may change their determination if it is deemed appropriate to do so.

3. Effect of an Insolvency Determination in relation to the Company

As a matter of Cayman Islands law, the effect of an ***insolvent*** determination is that only the Creditors of the Company are deemed to have an economic interest in the liquidation of the Company.

Therefore, at present and for so long as the JOLS continue to regard the Company as insolvent, only the creditors of the Company are stakeholders that (a) the JOLS are obliged to report to; (b) are entitled to vote at meetings; and (c) are eligible for nomination to any liquidation committee.

It is important to emphasise at this stage that the determination of insolvency applies solely to the Company, and not to its individual Segregated Portfolios, the solvency of each of which remains under investigation.

We appreciate that, during the course of the liquidation, issues may arise that are relevant to the economic interests of one or more Segregated Portfolios. In these circumstances, and to the extent that the JOLS feel it is appropriate and necessary to do so, they will establish informal *ad hoc* sub-committees for the affected Segregated Portfolio(s) in order to ensure that the interests of the relevant stakeholders at a portfolio level are accounted for and that an appropriate level of consultation with relevant stakeholders occurs.

Further details are outlined below and contained within our *First Meeting FAQ* sheet.

4. Meeting of Creditors

Please note as previously advised the first meeting of the Company's creditors will be held on **20 February 2025 at 10:00am (Cayman Islands time)** by telephone conference call (the "**Meeting**"), for the purposes of: (a) reporting the work done by the JOLS to date; (b) discussing the process of the official liquidation; (c) considering establishing a liquidation committee for the Company; and (d) endeavouring to answer any question you may have.

While only the creditors of the Company are permitted to vote and sit on the Liquidation Committee, **any creditor or contributory of the Company or the Segregated Portfolios will be allowed to attend the meeting in an observatory capacity.**

Those wishing to attend the Meeting should send written notice of their intention to do so to the contact email address below by 5:00pm (Cayman time) on 13 February 2025.

Please also note that any creditor or contributory entitled to attend the Meeting may do so in person or by proxy. A blank proxy form has been appended to this letter and can be returned to the email addresses below. Completed proxy forms should be sent to the contact email addresses below by **5:00pm (Cayman time) on 13 February 2025**. A blank proxy form can be found appended to this letter.

Any creditor of the Company or any of its Segregated Portfolios wishing to attend the Meeting should also complete and return a proof of debt form to the contact email addresses below by **5:00pm (Cayman time) on 13 February 2025**. A blank proof of debt form is also appended to this letter.

Contributories who take the position that: (a) they have validly redeemed their investment in one or more Segregated Portfolios in accordance with its applicable terms; and (b) that such redemption was accepted by the Company prior to the commencement of the liquidation, should submit a proof of debt to the contact email addresses below by **5:00pm (Cayman time) on 13 February 2025**. A blank proof of debt form is also appended to this letter.

Contributories who have not redeemed in the manner outlined above are not required to complete a proof of debt.

Further information regarding the Meeting (including relevant dial-in details) will be provided upon confirmation of attendance.

5. Liquidation Committee

One of the primary objectives of the above-mentioned creditors' meetings will be to consider the constitution of a liquidation committee (the "**Committee**") for the Company. In accordance with CWR O.9, r.1 (4), in the case of a company determined by its official liquidator to be insolvent, the Committee shall comprise not less than three nor more than five creditors. A copy of CWR O.9 is enclosed for your reference.

The function of the Committee will be to act as a sounding board for the JOLs and to consult with the JOLs on behalf of the general body of creditors of the Company. Such concerns and wishes will be carefully considered, subject always to the JOLs' duties as independent officers of the Court.

The JOLs will consult with the Committee on various issues, including but not limited to liquidation strategy, approval of the remuneration of the JOLs and strategies in relation to asset recovery, including the pursuit of potential litigation claims at the Company level. Similar consultation is likely to occur with members of *ad hoc* committees (as discussed further below) in respect of matters having an impact at an individual Segregated Portfolio level. The JOLs may share with the Committee information that, for reasons of confidentiality, they may not be able to share with

all creditors of the Company. As such, members of the Committee will be required to enter into non-disclosure agreements with the JOLs. Further information on the role of the Committee can be found at O.9 of the CWR, which is enclosed with this letter.

Should you wish to nominate yourself or another party for consideration to serve on the Committee, please contact the JOLs at the email address provided below as soon as possible and no later than 13 February 2025.

6. Ad-hoc Sub-Committees

As mentioned above, given the that the Company was (and the liquidation still is) required to be managed in accordance with the segregation principle, it is likely that many issues that arise during the liquidation will be relevant to the economic interest of only one or more Segregated Portfolios. In these circumstances, and to the extent that the JOLs feel it is appropriate and necessary to do so, they will establish informal *ad hoc* sub-committees for the affected Segregated Portfolio(s). The JOLs intend on working closely with affected stakeholders at individual Segregated Portfolio level to ensure their specific economic interests are understood and appropriate action taken.

It is anticipated that these *ad hoc* sub-committees will operate similarly to the Liquidation Committee of the Company. However, due to their *ad hoc* nature, their structure and mechanics may be adjusted to suit the specific Segregated Portfolio, subject to agreement by the JOLs and relevant stakeholders.

Should you wish to nominate yourself or another party for consideration to serve on the Ad-hoc Sub-Committee of the Segregated Portfolio, please contact the JOLs at the email address provided below as soon as possible and no later than 13 February 2025.

We would be grateful if you could kindly confirm receipt of this letter and requests via return email.

Should you have any queries regarding the above, please do not hesitate to contact my colleagues at their details below.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'O. Walker', written in a cursive style.

- (6) A removal resolution may be proposed by the official liquidator or any committee member.
- (7) It shall not be necessary to give any reasons for proposing a removal resolution, nor shall the liquidation committee or the official liquidator be required to give the former member any reasons for passing a removal resolution.
