Proposed Merger of the Merging Fund into the Receiving Fund

Dear Shareholder,

We are writing to advise you of a proposal to merge the Merging Fund into the Receiving Fund. The Merging Fund and the Receiving Fund are both sub-funds of GAM Star Fund.

GAM Star Fund is structured as an open-ended investment company, with variable share capital incorporated in Ireland and authorised by the Central Bank as an undertaking for collective investment in transferable securities pursuant to the Irish UCITS Regulations. GAM Star Fund is an umbrella fund with segregated liability between sub-funds.

Details of the procedure by which the Merger of the Merging Fund will be effected, the action you should take and the implications for you as a Shareholder, are set out in this Circular and the Appendices attached hereto.

There is no action required of you in order to implement the proposed Merger.

I. The Proposal

It is proposed that the Merging Fund be merged into the Receiving Fund.

Details of the Merger in respect of the Merging Fund are set out in **Appendix 1**.

A table highlighting the key differences between the terms and procedures of the Merging Fund and the Receiving Fund is included at **Appendix 2**.

II. Background and Rationale

The Merging Fund was established on 4 January 1988 and had USD 17.8 million in assets under management as of 30 September 2019. Given that the management of the Merging Fund was recently transferred to a new Investment Manager, and there are significant synergies between the investment strategies of the Merging Fund and the Receiving Fund, it was agreed that the most efficient solution for the Shareholders was to merge the Merging Fund into the Receiving Fund. This streamlines the

portfolio management and also provides the most cost efficient solution for the Shareholders as a result of the larger portfolio due to the combined assets of the Merging Fund and the Receiving Fund. Therefore the board of GAM Star Fund is of the view that it would be in the interests of the Shareholders to merge with the Receiving Fund which would broaden the investor base and create a single sub-fund with a larger and a more competitive fund volume and more efficient and cost-effective portfolio management.

As of 30 September 2019, the combined assets of Merging Fund and the Receiving Fund were USD 32.5 million. The board of GAM Star Fund is of the view that the proposed Merger would be in the interests of the shareholders of the Receiving Fund as it would increase the assets of the Receiving Fund which would in turn increase operational efficiencies of the Receiving Fund and reduce the fixed costs proportionally, thereby reducing the ongoing charges of Receiving Fund.

All costs of the Merger will be borne by GAM and Shareholders in the Merging Fund will not pay for any costs associated with the Merger.

III. Expected Impact of the Proposed Merger on Shareholders of the Receiving Fund

The Manager does not expect the Merger to have any material impact on the operation of the Receiving Fund and the rights of the shareholders of the Receiving Fund will remain unchanged. The investment objective, investment strategy, investment manager, portfolio management team, cost, expected outcome, periodic reporting, possible dilution in performance and tax treatment of the Receiving Fund will remain unchanged, so that the Merger will not result in any changes for shareholders of the Receiving Fund.

A full comparison of the investment objectives, policies, fees, and risks of the Merging Fund and the Receiving Fund is set out in Appendix 2.

Rebalancing: it is not intended that the assets of the Merging Fund will be rebalanced prior to the Merger taking effect.

IV. Conditions applying to the Merger

The Merger of the Merging Fund into the Receiving Fund is conditional upon the clearance and approval of the Merger by the Central Bank and the approval of the Merger by way of a special resolution of the Shareholders of the Merging Fund, which requires that the special resolution be passed by a majority consisting of 75% or more of the total number of votes cast at the EGM.

V. Taxation Implications of the Merger

You should be aware that the Merger may constitute a taxable event for you depending on your jurisdiction, and that your tax treatment may be changed following the implementation of the Merger. Accordingly, you are advised to consult your professional advisors as to the tax

implications of the Merger under the laws of the countries of your nationality, residence, domicile or incorporation.

A summary of the tax treatment of the Merging Fund and the Receiving Fund is contained in the prospectus of the GAM Star Fund.

VI. Right of Redemption

Shareholders of the Receiving Fund have the right to redeem or convert (as set out below) their Shares as usual but if Shareholders wish to redeem or convert their Shares prior to the Effective Date of the Merger, they can do so free of charge on any Dealing Day for the Receiving Fund (as defined in Appendix 2) by forwarding a request for the redemption or conversion of their Shares to the Registrar by 12h (UK time) on any Dealing Day prior to the Effective Date.

Shareholders who hold Ordinary Shares, Institutional Shares, Selling Agents' C Shares and Z Shares in the Receiving Fund may switch to a corresponding class of Shares of another sub-fund of the GAM Star Fund. For example, if a Shareholder holds EUR Ordinary Shares of the Receiving Fund, he may switch to USD Ordinary Shares within another sub-fund of the GAM Star Fund, however, he may not switch to the Institutional, Distribution, M Shares, N Shares, P Shares, R Shares, U Shares, V Shares, W Shares, X Shares, Z Shares, Non UK RFS, Non UK RFS Z Shares or Selling Agents' Shares where such classes exist within another sub-fund of the GAM Star Fund, unless the Manager shall otherwise agree.

VII. Effective Time/Date of the Merger

The Effective Time of the Merger is 11.59 p.m. on 15 January 2020.

VIII. Documents for Inspection and Additional Information Available

Copies of the following documents relating to GAM Star Fund (which will be provided to Shareholders free of charge upon request) may be obtained from the office of the Manager at George's Court, 54-62 Townsend Street, Dublin 2, Ireland (Tel: +353 1 609 3927) during normal business hours on weekdays (Irish public holidays excepted) until the time of the conclusion of the EGM (or any adjourned meeting of the Shareholders) and are available on the website www.GAM.com:

APPENDIX 1

MERGER

OF THE MERGING FUND

1. MERGER

- 1.1 The Merger falls within sub-section (c) of the definition of “merger” in Part 1, Regulation 3(1) of the Irish UCITS Regulations, being a merger whereby one or more UCITS or sub-funds thereof, (“merging UCITS”), which continue to exist until their liabilities have been discharged, transfer their net assets to another sub-fund of the same UCITS, to a UCITS which they form or to another existing UCITS or sub-fund thereof (a “receiving UCITS”).
- 1.2 Upon approval of the Merger, as and from the Effective Date and subject to the terms hereof, the Scheme Property of the Merging Fund will become part of the property of the Receiving Fund in exchange and in full payment for the issue of New Shares to the holders of Original Shares.
- 1.3 The Depositary in its capacity as Depositary of the Merging Fund shall transfer to the Depositary in its capacity as Depositary of the Receiving Fund, the Scheme Property of the Merging Fund (less the retention provided for in paragraph 1.4) and the Depositary shall (subject to the Terms of Merger) hold the Scheme Property transferred to it as an accretion to the Scheme Property of the Receiving Fund subject to the Memorandum and Articles of Association of GAM Star Fund. In relation to assets so held, with effect from the Effective Date, the provisions set out in the Merging Fund Documentation shall cease to have any effect save as required for the purposes of the Merger.
- 1.4 The Depositary shall retain such amount of cash (and if necessary other assets), together with any income arising therefrom as shall, in the opinion of the Manager, be sufficient for the purpose of discharging any outstanding, unsatisfied or contingent liabilities of the Merging Fund until the date on which the termination of the Merging Fund is completed pursuant to paragraph 8. For the purpose of the Merger, outstanding or unsatisfied liabilities of the Merging Fund shall exclude any costs and expenses in connection with the implementation of the Merger but shall include the accrued or anticipated costs, charges, expenses, taxation, liabilities and fees authorised by the Merging Fund Documentation to be paid out of the Scheme Property of the Merging Fund (including, inter alia, the Manager's fees and the Depositary's remuneration if any) as accrued to the

Effective Date. After the discharge of all liabilities of the Merging Fund, the Depositary shall transfer to the account of the Receiving Fund held by the Depositary, the balance then remaining, if any, as an accretion to the then Scheme Property of the Receiving Fund subject to the Irish UCITS Regulations but such accretion, if any, shall not take place until the date on which the termination of the Merging Fund has been completed and shall not increase the number of New Shares to be issued.

1.5 Dealings in the Original Shares shall continue up to the day prior to the Effective Date of the Merger in respect of subscription/redemption notices received by the Manager on or prior to 10.00 p.m. (UK time) on the relevant Dealing Day. Dealings in the New Shares in the Receiving Fund shall commence on the first Dealing Day (as defined in Appendix 2 of the Circular) of the Receiving Fund subsequent to the Effective Date provided that subscription/redemption notices have been received by the Manager on or prior to 10.00 p.m. (UK time) on that Dealing Day.

2. CANCELLATION OF ORIGINAL SHARES

2.1 Immediately after the issue of New Shares pursuant to the Merger, every Original Share in the Merging Fund shall be deemed to have been cancelled and shall cease to be of value, and no further Shares in the Merging Fund will be issued.

3. CALCULATION OF EXCHANGE RATIO AND VALUATION OF ASSETS

3.1 The total number of New Shares to be created and issued by the Receiving Fund pursuant to the Merger to each Shareholder of the Merging Fund at the Effective Date (in place of and in proportion to his/her Original Shares), known as the exchange ratio, shall be calculated by dividing the net asset value per share of Original Shares in the Merging Fund, which shall be calculated as of the Effective Date in accordance with the valuation methodology set out in the Merging Fund Documentation by the net asset value per share of Shares to be issued in the Receiving Fund calculated as of the Effective Date. Each Shareholder will receive Shares in the Receiving Fund equal in value to the Shares held by each Shareholder in the Merging Fund as at the Effective Date.

3.2 For the purpose of the Merger:

- (a) the price of Original Shares in the Merging Fund shall, subject to paragraph 3.3(i), be the price ascertained by the Manager in accordance with the valuation provisions set down in the Merging Fund Documentation, excluding dealing costs; and

- (b) the price of New Shares in the Receiving Fund shall, subject to paragraph 3.3(ii), be the price ascertained by the Manager in accordance with the valuation provisions set down in the Receiving Fund Documentation, excluding dealing costs.

3.3 For the purposes of determining the prices in terms of paragraph 3.2:

(i) the value of the Scheme Property of the Merging Fund shall be ascertained in accordance with the valuation provisions set down in the Merging Fund Documentation as at 23:00 hours (UK time) on the Effective Date. In computing such values, in the case of the Scheme Property of the Merging Fund, there shall be deducted therefrom the costs and expenses identified as outstanding, unsatisfied or contingent liabilities of the Merging Fund pursuant to paragraph 1.4;

(ii) the value of the Scheme Property of the Receiving Fund shall be ascertained in accordance with the valuation provisions set down in the Receiving Fund Documentation in respect of the Effective Date.

3.4 The transfer of the Scheme Property of the Merging Fund, less the retention provided for in paragraph 1.4, to the Receiving Fund will be in exchange for the New Shares issued to the Merging Fund Shareholders pursuant to the Merger who will be treated as exchanging their Original Shares for New Shares in the Receiving Fund.

3.5 The Manager shall not, in respect of the New Shares to be issued under the Merger, be entitled to make any preliminary or initial charge. Neither shall the Manager levy any redemption charge on cancellation of Original Shares in the Merging Fund under the Merger or on redemption of Original Shares by Shareholders prior to the Effective Date.

3.6 The Auditors of the Merging Fund will validate the following as at the Effective Date:

- (a) The criteria adopted for the valuation of the assets as of the Effective Date; and
- (b) The calculation method of the exchange ratio referred to in Section 3.1 hereof as well as the actual exchange ratio determined as of the Effective Date.

4 **ISSUE OF SHARES**

- 4.1 As at the Effective Date, the Manager and the Registrar shall allot and issue New Shares to the Merging Fund Shareholders to the same value as the Original Shares held in the Merging Fund (calculated as at 23:00 hours (UK time) on the Effective Date) using the exchange ratio calculation as outlined below.

- 5.2 All liability (if any) to stamp duty or stamp duty reserve tax or similar overseas transfer taxes which arises from the implementation of the Merger shall be borne by the Manager.
- 5.3 If the liabilities of the Merging Fund exceed the total amount retained by the Manager in accordance with the Merger, then to the extent of such excess, the Manager shall discharge such liabilities or (if the Depositary is liable to meet such liabilities) shall put the Depositary in

funds to discharge such excess of liabilities and shall indemnify the Depositary in respect thereof.

- 5.4 If the liabilities of the Merging Fund are lower than the total amount retained by the Manager in accordance with the Merger and there is a surplus remaining with the Merging Fund on the completion of the termination of the Merging Fund, such surplus, together with any income arising therefrom, shall be transferred to the Receiving Fund. No further issue of New Shares shall be made as a result. The Manager shall cease to hold such amount in its capacity as Manager of the Merging Fund and shall make such transfers and redesignations as may be directed or instructed by the Depositary.

6 PAYMENTS OUT OF THE SCHEME PROPERTY OF THE MERGING FUND

- 6.1 Without prejudice to the terms of paragraph 5.4, the Manager shall pay out of the Scheme Property of the Merging Fund or otherwise meet from the amounts retained by it in accordance with paragraph 1.4:

Such statements shall be sent, not later than 5 Business Days (as defined in Appendix 2 in respect of the Receiving Fund) after the Effective Date, by ordinary prepaid post or electronically as per the Shareholders' request, at the risk of the persons entitled to them and shall be sent to them at their respective addresses as shown in the Register of Shareholders in the Merging Fund as at the Effective Date.
- 7.2 No certificates will be issued in respect of the New Shares.

- 7.3 The Depositary and the Registrar shall each be entitled to assume that all information contained in the Merging Fund's Register at the Effective Date is correct and to utilise the same in calculating the number of New Shares to be issued and registered pursuant to the Merger and shall each be entitled to act and rely upon any certificate, opinion, evidence or information furnished by its respective professional advisers in connection with the Merger and shall not be liable or responsible for any loss suffered as a result thereof.

8 TERMINATION OF THE MERGING FUND

- 9.1 The Manager or the Depositary shall, at any time on or before the Effective Date, be authorised in accordance with the requirements of the Central Bank to make such modifications, additions or conditions to the Terms of Merger as may be approved by them and the Depositary, provided always that the Manager and the Depositary shall have agreed in writing that such modifications, additions or conditions do not involve any current or potential Shareholders in the Merging Fund or potential shareholders in the Receiving Fund in any material prejudice.
- 9.2 There may be circumstances beyond the control of the Manager or the Depositary which mean that it is not possible or practicable to effect the Merger. In these circumstances the Manager and the Depositary will continue to operate the Merging Fund until such time as it is practicable to effect the Merger which will be done on the Terms of Merger with such consequential adjustments to the timetable as the Manager and the Depositary consider appropriate.

These insights, combined with a bottom-up fundamental company analysis, form the basis for stock selection. Through the use of macroeconomic analysis, they seek to understand the dynamics of each individual market in the region. They then apply bottom-up, financial modeling and fundamental analysis of companies that fit those criteria in order to identify specific securities that represent the best investment opportunities. In particular, the investment team aims to identify opportunities and barriers to growth in each market with a particular focus on valuation drivers, inflection points and catalysts for change. The focus is predominantly at the country level and stock level, with valuation a key consideration.</p>

The writing and purchase of index options is a highly specialised activity which involves special investment risks.</p> <p>Currency Options: These may be used in order to benefit from and hedge against moves in the foreign exchange market. The use of currency options is to protect investors from adverse movements in a particular currency such as the Japanese yen. For example this is likely to be undertaken by use of a collar whereby a US dollar call option is purchased and a put option is sold at different strike prices for no initial cost. The payout profile is such that investors will be protected if the yen depreciates below the strike price of the dollar call. The “cost” of this protection will be to forgo upside if the yen were to appreciate beyond the strike price of the put. A collar is a protective options strategy.</p> <p>Currency Forwards: These may be used to: (a) hedge the designated currency of the assets of the Fund to the Base Currency of the Fund; or (b) mitigate the exchange rate risk between the Base Currency of the Fund and the currency in which Shares in a class in the Fund are designated where that designated currency is different to the Base Currency of the Fund.</p>	<p>only) to add income from premium received as an investment overlay to an existing long position. 1. INTRODUCTION

- 1.1 In this Scheme of Arrangement, references to any statute or statutory instrument or other legislation shall be deemed to include a reference to such statute or statutory instrument or other legislation as from time to time amended and to any codification, consolidation or re-enactment thereof as from time to time in force and the definitions set out on in this document shall apply to the Scheme of Arrangement. References to paragraphs are to paragraphs of this Scheme of Arrangement.
- 1.2 Where the context so permits, all terms used in the Scheme of Arrangement in relation to the Merging Fund or the Receiving Fund shall have the meanings attributed to them in the Merging Fund Documentation, Receiving Fund Documentation or the Definitions section to this document (as the context requires).
- 1.3 If there is any conflict among the Merging Fund Documentation, the Receiving Fund Documentation, the Definitions, this Scheme of Arrangement and the Irish UCITS Regulations, then this Scheme of Arrangement shall take precedence over the said documents and the Irish UCITS Regulations shall take precedence over this Scheme of Arrangement.
- 1.4 The Merger constitutes a merger as provided for in Part 7 of the Irish UCITS Regulations of the Merging Fund with the Receiving Fund.

The type of merger proposed is that set out in sub-section (c) of the definition of “merger” in Part 1, Regulation 3(1) of the Irish UCITS Regulations, being a merger whereby one or more UCITS or sub-funds thereof (“merging UCITS”), which continue to exist until their liabilities have been discharged, transfer their net assets to another sub-fund of the same UCITS, to a UCITS which they form or to another existing UCITS or sub-fund thereof (a “receiving UCITS”).

The proposed merger is of the Merging Fund into the Receiving Fund. The Merging Fund and the Receiving Fund are both sub-funds of GAM Star Fund which is an open-ended umbrella fund with segregated liability between sub-funds and incorporated as an investment company and authorised pursuant to the Irish UCITS Regulations.

2. APPROVAL OF THE MERGER

- 2.1 The Merger is conditional upon (i) the clearance and approval of the Merger by the Central Bank and (ii) the passing of a Special Resolution at an EGM of Shareholders of the Merging Fund, by which the Shareholders of the Merging Fund will be asked to approve the Merger and instruct the Manager to implement the Merger.
- 2.2 Provided that the Special Resolution is passed on or before the Effective Date, the Merger will be binding on all Shareholders of the Merging Fund (whether or not they voted in favour of it, or voted at all, unless they have redeemed their shareholding in the Merging Fund prior to the Effective Date) and the Merger shall be implemented as set out in the following paragraphs.

3. BACKGROUND TO AND RATIONALE FOR MERGER

- 3.1 The Merging Fund was established on 4 January 1988 and had USD 17.8 million in assets under management as of 30 September 2019. Given that the management of the Merging Fund was recently transferred to a new Investment Manager, and there are significant synergies between the investment strategies of the Merging Fund and the Receiving Fund, it was agreed that the most efficient solution for the Shareholders was to merge the Merging Fund into the Receiving Fund. This streamlines the portfolio management and also provides the most cost efficient solution for the Shareholders as a result of the larger portfolio due to the combined assets of both the Merging Fund and the Receiving Fund. Therefore the board of GAM Star

Fund is of the view that it would be in the interests of the Shareholders to merge with the Receiving Fund which would broaden the investor base and create a single sub-fund with a larger and a more competitive fund volume and more efficient and cost-effective portfolio management.

As of 30 September 2019, the combined assets of Merging Fund and the Receiving Fund were USD 32.5 million. The board of GAM Star Fund is of the view that the proposed Merger would be in the interests of the shareholders of the Receiving Fund as it would increase the assets of the Receiving Fund which would in turn increase operational efficiencies of the Receiving Fund and reduce the fixed costs proportionally, thereby reducing the ongoing charges of Receiving Fund.

- 3.2 All costs of the Merger will be borne by GAM and Shareholders in the Merging Fund will not pay for any costs associated with the Merger.

5. MERGER

- 5.1 Upon approval of the Merger, as and from the Effective Date and subject to the terms hereof, the Scheme Property of the Merging Fund will become part of the property of the Receiving Fund in exchange and in full payment for the issue of New Shares to the holders of Original Shares.
- 5.2 The Depositary in its capacity as Depositary of the Merging Fund shall transfer to the Depositary in its capacity as Depositary of the Receiving Fund, the Scheme Property of the Merging Fund (less the retention provided for in paragraph 5.3) and the Depositary shall (subject to the Terms of Merger) hold the Scheme Property transferred to it as an accretion to the Scheme Property of the Receiving Fund subject to the Memorandum and Articles of Association of GAM Star Fund. In relation to assets so held, with effect from the Effective Date, the provisions set out in the Merging Fund Documentation shall cease to have any effect save as required for the purposes of the Merger.
- 5.3 The Depositary shall retain such amount of cash (and if necessary other assets), together with any income arising therefrom as shall, in the opinion of the Manager, be sufficient for the purpose of discharging any outstanding, unsatisfied or contingent liabilities of the Merging Fund until the date on which the termination of the Merging Fund is completed pursuant to paragraph 12. For the purpose of the Merger, outstanding or unsatisfied liabilities of the Merging Fund shall exclude any costs and expenses in connection with the implementation of the Merger but shall include the accrued or anticipated costs, charges, expenses, taxation, liabilities and fees authorised by the Merging Fund Documentation to be paid out of the Scheme Property of the Merging Fund (including, inter alia, the Manager's fees and the Depositary's remuneration if any) as accrued to the Effective Date. After the discharge of all liabilities of the Merging Fund, the Depositary shall transfer to the account of the Receiving Fund held by the Depositary, the balance then remaining, if any, as an accretion to the then Scheme Property of the Receiving Fund subject to the Irish UCITS Regulations but such accretion, if any, shall not take place until the date on which the termination of the Merging Fund has been completed and shall not increase the number of New Shares to be issued.
- 5.4 Dealings in the Original Shares shall continue up to the day prior to the Effective Date of the Merger in respect of subscription/redemption notices received by the Manager on or prior to 10.00 p.m. (UK time) on the relevant Dealing Day. Dealings in the New Shares in the Receiving Fund shall commence on the first Dealing Day (as defined in Appendix 2 of the Circular) of the Receiving Fund subsequent to the Effective Date provided that subscription/redemption notices have been received by the Manager on or prior to 10.00 p.m. (UK time) on that Dealing Day.

- 6.1 Immediately after the issue of New Shares pursuant to the Merger, every Original Share in the Merging Fund shall be deemed to have been cancelled and shall cease to be of value, and no further Shares in the Merging Fund will be issued.

7. CALCULATION OF EXCHANGE RATIO AND VALUATION OF ASSETS

- 7.1 The total number of New Shares to be created and issued by the Receiving Fund pursuant to the Merger to each Shareholder of the Merging Fund at the Effective Date (in place of and in proportion to his/her Original Shares), known as the exchange ratio, shall be calculated by dividing the value of the Original Shares in the Merging Fund, which shall be calculated as of the Effective Date in accordance with the valuation methodology set out in the Merging Fund Documentation by the net asset value per share of Shares to be issued in the Receiving Fund calculated as of the Effective Date. Each Shareholder will receive Shares in the Receiving Fund equal in value to the Shares held by each Shareholder in the Merging Fund as at the Effective

Date.

7.2 For the purpose of the Merger:

- (a) the net asset value per share of Original Shares in the Merging Fund shall, subject to paragraph 7.3(i), be the net asset value per share ascertained by the Manager in accordance with the valuation provisions set down in the Merging Fund Documentation, excluding dealing costs; and

- (i) the value of the Scheme Property of the Merging Fund shall be ascertained in accordance with the valuation provisions set down in the Merging Fund Documentation as at 23:00 hours (UK time) on the Effective Date. In computing such values, in the case of the Scheme Property of the Merging Fund, there shall be deducted therefrom the costs and expenses identified as outstanding or unsatisfied liabilities of the Merging Fund pursuant to paragraph 5.3;
- (ii) the value of the Scheme Property of the Receiving Fund shall be ascertained in accordance with the valuation provisions set down in the Receiving Fund Documentation in respect of the Effective Date.

7.4 The transfer of the Scheme Property of the Merging Fund, less the retention provided for in paragraph 5.3, to the Receiving Fund will be in exchange for the New Shares issued to the Merging Fund Shareholders pursuant to the Merger who will be treated as exchanging their Original Shares for New Shares in the Receiving Fund.

7.5 The Manager shall not, in respect of the New Shares to be issued under the Merger, be entitled to make any preliminary or initial charge. Neither shall the Manager levy any redemption charge on cancellation of Original Shares in the Merging Fund under the Merger or on redemption of Original Shares by Shareholders prior to the Effective Date.

7.6 The Auditors of the Merging Fund will validate the following as at the Effective Date:

- (i) the criteria adopted for the valuation of the assets as of the Effective Date; and
- (ii) the calculation method of the exchange ratio referred to in Section 7.1 hereof as well as the actual exchange ratio determined as of the Effective Date.

8. ISSUE OF SHARES

8.1 As at the Effective Date, the Manager and the Registrar shall allot and issue New Shares to the Merging Fund Shareholders to the same value as the Original Shares held in the Merging Fund (calculated as at 23:00 hours (UK time) on the Effective Date) using the exchange ratio calculation as outlined herein.

9. COSTS AND ADJUSTMENTS

9.1 The costs and expenses identified as outstanding or unsatisfied liabilities of the Merging Fund pursuant to paragraph 5.3 shall be borne out of the Scheme Property of the Merging Fund. The costs and expenses of the Merger and its implementation shall be borne by GAM.

- 9.3 If the liabilities of the Merging Fund exceed the total amount retained by the Manager in accordance with the Merger, then to the extent of such excess, the Manager shall discharge such liabilities or (if the Depositary is liable to meet such liabilities) shall put the Depositary in funds to discharge such excess of liabilities and shall indemnify the Depositary in respect thereof.
- 9.4 If the liabilities of the Merging Fund are lower than the total amount retained by the Manager in accordance with the Merger and there is a surplus remaining with the Merging Fund on the completion of the termination of the Merging Fund, such surplus, together with any income arising therefrom, shall be transferred to the Receiving Fund. No further issue of New Shares shall be made as a result. The Manager shall cease to hold such amount in its capacity as Manager of the Merging Fund and shall make such transfers and redesignations as may be directed or instructed by the Depositary.

10. PAYMENTS OUT OF THE SCHEME PROPERTY OF THE MERGING FUND

- 10.1 Without prejudice to the terms of paragraph 9.4, the Manager shall pay out of the Scheme Property of the Merging Fund or otherwise meet from the amounts retained by it in accordance with paragraph 5.3:
- (a) the Global Distributor, Investment Manager, Manager and Depositary fee, if any, in respect of the Merging Fund accrued to the Effective Date; and
 - (b) all other undischarged liabilities of the Merging Fund whether arising before or after the Effective Date, including all the accrued costs, charges, expenses, taxation, liabilities and fees of the Merging Fund authorised to be paid either out of the Scheme Property of the Merging Fund on or before the Effective Date and/or subsequently out of the amounts to be retained by the Manager pursuant to the Merger.

- 11.2 No certificates will be issued in respect of the New Shares.
- 11.3 The Depositary and the Registrar shall each be entitled to assume that all information contained in the Merging Fund's Register at the Effective Date is correct and to utilise the same in calculating the number of New Shares to be issued and registered pursuant to the Merger and shall each be entitled to act and rely upon any certificate, opinion, evidence or information furnished by its respective professional advisers in connection with the Merger and shall not be liable or responsible for any loss suffered as a result thereof.

12. TERMINATION OF THE MERGING FUND

- 12.1 If the Merger is approved, the Manager will following the Effective Date and subject to the discharge of all liabilities of the Merging Fund proceed to terminate the Merging Fund in accordance with the Terms of Merger, the Memorandum and Articles of Association of GAM Star Fund and the Irish UCITS Regulations.

13. ALTERATION(S) TO THE MERGER

- 13.1 The Manager or the Depositary shall, at any time on or before the Effective Date, be authorised in accordance with the requirements of the Central Bank to make such modifications, additions or conditions to the Terms of Merger as may be approved by them and the Depositary, provided always that the Manager and the Depositary shall have agreed in writing that such modifications, additions or conditions do not involve any current or potential Shareholders in the Merging Fund or potential shareholders in the Receiving Fund in any material prejudice.
- 13.2 There may be circumstances beyond the control of the Manager or the Depositary which mean that it is not possible or practicable to effect the Merger. In these circumstances the Manager and the Depositary will continue to operate the Merging Fund until such time as it is practicable to effect the Merger which will be done on the Terms of Merger with such consequential adjustments to the timetable as the Manager and the Depositary consider appropriate.

Proposed Merger of the Merging Fund into the Receiving Fund

Dear Shareholder,

We are writing to advise you of a proposal to merge the Merging Fund into the Receiving Fund. The Merging Fund and the Receiving Fund are both sub-funds of GAM Star Fund.

GAM Star Fund is structured as an open-ended investment company, with variable share capital incorporated in Ireland and authorised by the Central Bank as an undertaking for collective investment in transferable securities pursuant to the Irish UCITS Regulations. GAM Star Fund is an umbrella fund with segregated liability between sub-funds.

Details of the procedure by which the Merger of the Merging Fund will be effected, the action you should take and the implications for you as a Shareholder, are set out in this Circular and the Appendices attached hereto.

I. The Proposal

It is proposed that the Merging Fund be merged into the Receiving Fund. Such Merger will result in the Scheme Property of the Merging Fund becoming part of the property of the Receiving Fund in exchange and in full payment for the issue of New Shares to holders of Original Shares.

Details of the Merger in respect of the Merging Fund are set out in **Appendix 1**.

A table highlighting the key differences between the terms and procedures of the Merging Fund and the Receiving Fund is included at **Appendix 2**.

An EGM of the Merging Fund has been convened for 7 January 2020 for the purpose of considering and voting on the Merger of the Merging Fund.

A notice of the EGM, at which the necessary Special Resolution will be put to Shareholders, and a form of proxy are attached at **Appendix 3**.

II. Background and Rationale

The Merging Fund was established on 4 January 1988 and had USD 17.8 million in assets under management as of 30 September 2019. Given that the management of the Merging Fund was recently transferred to a new Investment Manager, and there are significant synergies between the investment

strategies of the Merging Fund and the Receiving Fund, it was agreed that the most efficient solution for the Shareholders was to merge the Merging Fund into the Receiving Fund. This streamlines the portfolio management and also provides the most cost efficient solution for the Shareholders as a result of the larger portfolio due to the combined assets of the Merging Fund and the Receiving Fund. Therefore the board of GAM Star Fund is of the view that it would be in the interests of the Shareholders to merge with the Receiving Fund which would broaden the investor base and create a single sub-fund with a larger and a more competitive fund volume and more efficient and cost-effective portfolio management.

As of 30 September 2019, the combined assets of Merging Fund and the Receiving Fund were USD 32.5 million. The board of GAM Star Fund is of the view that the proposed Merger would be in the interests of the shareholders of the Receiving Fund as it would increase the assets of the Receiving Fund which would in turn increase operational efficiencies of the Receiving Fund and reduce the fixed costs proportionally, thereby reducing the ongoing charges of Receiving Fund.

All costs of the Merger will be borne by GAM and Shareholders in the Merging Fund will not pay for any costs associated with the Merger.

This streamlines the portfolio management and also provides the most cost efficient solution for the Shareholders as a result of the larger portfolio due to the combined assets of the Merging Fund and the Receiving Fund. MERGER

OF THE MERGING FUND

1. MERGER

- 1.1 The Merger falls within sub-section (c) of the definition of “merger” in Part 1, Regulation 3(1) of the Irish UCITS Regulations, being a merger whereby one or more UCITS or sub-funds thereof, (“merging UCITS”), which continue to exist until their liabilities have been discharged, transfer their net assets to another sub-fund of the same UCITS, to a UCITS which they form or to another existing UCITS or sub-fund thereof (a “receiving UCITS”).
- 1.2 Upon approval of the Merger, as and from the Effective Date and subject to the terms hereof, the Scheme Property of the Merging Fund will become part of the property of the Receiving Fund in exchange and in full payment for the issue of New Shares to the holders of Original Shares.
- 1.3 The Depositary in its capacity as Depositary of the Merging Fund shall transfer to the Depositary in its capacity as Depositary of the Receiving Fund, the Scheme Property of the Merging Fund (less the retention provided for in paragraph 1.4) and the Depositary shall (subject to the Terms of Merger) hold the Scheme Property transferred to it as an accretion to the Scheme Property of the Receiving Fund subject to the Memorandum and Articles of Association of GAM Star Fund. In relation to assets so held, with effect from the Effective Date, the provisions set out in the Merging Fund Documentation shall cease to have any effect save as required for the purposes of the Merger.
- 1.4 The Depositary shall retain such amount of cash (and if necessary other assets), together with any income arising therefrom as shall, in the opinion of the Manager, be sufficient for the purpose of discharging any outstanding, unsatisfied or contingent liabilities of the Merging Fund until the date on which the termination of the Merging Fund is completed pursuant to paragraph 8. For the purpose of the Merger, outstanding or unsatisfied liabilities of the Merging Fund shall exclude any costs and expenses in connection with the implementation of the Merger but shall include the accrued or anticipated costs, charges, expenses, taxation, liabilities and fees authorised by the Merging Fund Documentation to be paid out of the Scheme Property of the Merging Fund (including, inter alia, the Manager’s fees and the Depositary’s remuneration if any) as accrued to the Effective Date. After the discharge of all liabilities of the Merging Fund, the Depositary shall transfer to the account of the Receiving Fund held by the Depositary, the balance then remaining, if any, as an accretion to the then Scheme Property of the Receiving Fund subject to the Irish UCITS Regulations but such

accretion, if any, shall not take place until the date on which the termination of the Merging Fund has been completed and shall not increase the number of New Shares to be issued.

- 1.5 Dealings in the Original Shares shall continue up to the day prior to the Effective Date of the Merger in respect of subscription/redemption notices received by the Manager on or prior to 10.00 p.m. (UK time) on the relevant Dealing Day. Dealings in the New Shares in the Receiving Fund shall commence on the first Dealing Day (as defined in Appendix 2 of the Circular) of the Receiving Fund subsequent to the Effective Date provided that subscription/redemption notices have been received by the Manager on or prior to 10.00 p.m. (UK time) on that Dealing Day.

2. CANCELLATION OF ORIGINAL SHARES

- 2.1 Immediately after the issue of New Shares pursuant to the Merger, every Original Share in the Merging Fund shall be deemed to have been cancelled and shall cease to be of value, and no further Shares in the Merging Fund will be issued.

3. CALCULATION OF EXCHANGE RATIO AND VALUATION OF ASSETS

- 3.1 The total number of New Shares to be created and issued by the Receiving Fund pursuant to the Merger to each Shareholder of the Merging Fund at the Effective Date (in place of and in proportion to his/her Original Shares), known as the exchange ratio, shall be calculated by dividing the net asset value per share of Original Shares in the Merging Fund, which shall be calculated as of the Effective Date in accordance with the valuation methodology set out in the Merging Fund Documentation by the net asset value per share of Shares to be issued in the Receiving Fund calculated as of the Effective Date. Each Shareholder will receive Shares in the Receiving Fund equal in value to the Shares held by each Shareholder in the Merging Fund as at the Effective Date.

- 3.2 For the purpose of the Merger:

- (a) the price of Original Shares in the Merging Fund shall, subject to paragraph 3.3(i), be the price ascertained by the Manager in accordance with the valuation provisions set down in the Merging Fund Documentation, excluding dealing costs; and
- (b) the price of New Shares in the Receiving Fund shall, subject to paragraph 3.3(ii), be the price ascertained by the Manager in accordance with the valuation provisions set down in the Receiving Fund Documentation, excluding dealing costs.

- 3.3 For the purposes of determining the prices in terms of paragraph 3.2:

- (i) the value of the Scheme Property of the Merging Fund shall be ascertained in accordance with the valuation provisions set down in the Merging Fund Documentation as at 23:00 hours (UK time) on the Effective Date. In computing such values, in the case

of the Scheme Property of the Merging Fund, there shall be deducted therefrom the costs and expenses identified as outstanding, unsatisfied or contingent liabilities of the Merging Fund pursuant to paragraph 1.4;

- (ii) the value of the Scheme Property of the Receiving Fund shall be ascertained in accordance with the valuation provisions set down in the Receiving Fund Documentation in respect of the Effective Date.

3.4 The transfer of the Scheme Property of the Merging Fund, less the retention provided for in paragraph 1.4, to the Receiving Fund will be in exchange for the New Shares issued to the Merging Fund Shareholders pursuant to the Merger who will be treated as exchanging their Original Shares for New Shares in the Receiving Fund.

3.5 The Manager shall not, in respect of the New Shares to be issued under the Merger, be entitled to make any preliminary or initial charge. Neither shall the Manager levy any redemption charge on cancellation of Original Shares in the Merging Fund under the Merger or on redemption of Original Shares by Shareholders prior to the Effective Date.

3.6 The Auditors of the Merging Fund will validate the following as at the Effective Date:

- (a) The criteria adopted for the valuation of the assets as of the Effective Date; and
- (b) The calculation method of the exchange ratio referred to in Section 3.1 hereof as well as the actual exchange ratio determined as of the Effective Date.

4 ISSUE OF SHARES

4.1 As at the Effective Date, the Manager and the Registrar shall allot and issue New Shares to the Merging Fund Shareholders to the same value as the Original Shares held in the Merging Fund (calculated as at 23:00 hours (UK time) on the Effective Date) using the exchange ratio calculation as outlined herein.

5 COSTS AND ADJUSTMENTS

5.1 The costs and expenses identified as outstanding, unsatisfied or contingent liabilities of the Merging Fund pursuant to paragraph 1.4 shall be borne out of the Scheme Property of the Merging Fund. The costs and expenses of the Merger and its implementation shall be borne by GAM.

5.2 All liability (if any) to stamp duty or stamp duty reserve tax or similar overseas transfer taxes which arises from the implementation of the Merger shall be borne by the Manager.

- 5.3 If the liabilities of the Merging Fund exceed the total amount retained by the Manager in accordance with the Merger, then to the extent of such excess, the Manager shall discharge such liabilities or (if the Depositary is liable to meet such liabilities) shall put the Depositary in funds to discharge such excess of liabilities and shall indemnify the Depositary in respect thereof.
- 5.4 If the liabilities of the Merging Fund are lower than the total amount retained by the Manager in accordance with the Merger and there is a surplus remaining with the Merging Fund on the completion of the termination of the Merging Fund, such surplus, together with any income arising therefrom, shall be transferred to the Receiving Fund. No further issue of New Shares shall be made as a result. The Manager shall cease to hold such amount in its capacity as Manager of the Merging Fund and shall make such transfers and redesignations as may be directed or instructed by the Depositary.

6 PAYMENTS OUT OF THE SCHEME PROPERTY OF THE MERGING FUND

- 6.1 Without prejudice to the terms of paragraph 5.4, the Manager shall pay out of the Scheme Property of the Merging Fund or otherwise meet from the amounts retained by it in accordance with paragraph 1.4:
- (a) the Global Distributor, Investment Manager, Manager and Depositary fee, if any, in respect of the Merging Fund accrued to the Effective Date; and
 - (b) all other undischarged liabilities of the Merging Fund whether arising before or after the Effective Date, including all the accrued costs, charges, expenses, taxation, liabilities and fees of the Merging Fund authorised to be paid either out of the Scheme Property of the Merging Fund on or before the Effective Date and/or subsequently out of the amounts to be retained by the Manager pursuant to the Merger.

7 STATEMENTS

- 7.1 The Manager and Registrar shall despatch to those persons who were Merging Fund Shareholders at the Effective Date statements indicating the number of New Shares to which they are entitled under the Merger and which at the date of despatch of such statements have not been redeemed. Such statements shall be sent, not later than 5 Business Days (as defined in Appendix 2 in respect of the Receiving Fund) after the Effective Date, by ordinary prepaid post or electronically as per the Shareholders' request, at the risk of the persons entitled to them and shall be sent to them at their respective addresses as shown in the Register of Shareholders in the Merging Fund as at the Effective Date.
- 7.2 No certificates will be issued in respect of the New Shares.
- 7.3 The Depositary and the Registrar shall each be entitled to assume that all information contained in the Merging Fund's Register at the Effective Date is correct and to utilise the same in calculating the number of New Shares to be issued and registered pursuant to the

Merger and shall each be entitled to act and rely upon any certificate, opinion, evidence or information furnished by its respective professional advisers in connection with the Merger and shall not be liable or responsible for any loss suffered as a result thereof.

8 TERMINATION OF THE MERGING FUND

- 8.1 If the Merger is approved, the Manager will following the Effective Date and subject to the discharge of all liabilities of the Merging Fund proceed to terminate the Merging Fund in accordance with the Terms of Merger, the Memorandum and Articles of Association of GAM Star Fund and the Irish UCITS Regulations.

9 ALTERATION(S) TO THE MERGER

- 9.1 The Manager or the Depositary shall, at any time on or before the Effective Date, be authorised in accordance with the requirements of the Central Bank to make such modifications, additions or conditions to the Terms of Merger as may be approved by them and the Depositary, provided always that the Manager and the Depositary shall have agreed in writing that such modifications, additions or conditions do not involve any current or potential Shareholders in the Merging Fund or potential shareholders in the Receiving Fund in any material prejudice.
- 9.2 There may be circumstances beyond the control of the Manager or the Depositary which mean that it is not possible or practicable to effect the Merger. In these circumstances the Manager and the Depositary will continue to operate the Merging Fund until such time as it is practicable to effect the Merger which will be done on the Terms of Merger with such consequential adjustments to the timetable as the Manager and the Depositary consider appropriate.

10. VERIFICATION

- 10.1 The Depositary shall verify in writing to the Central Bank in respect of both, the Merging Fund and the Receiving Fund, (i) the type of merger and the UCITS involved (ii) the Effective Date and (iii) the rules applicable, respectively, to the transfer of assets and the exchange of units are in accordance with the Irish UCITS Regulations and the Memorandum and Articles of Association of GAM Star Fund (as applicable).

11. PLANNED EFFECTIVE DATE OF THE MERGER

- 11.1 Subject to the approval of the Central Bank, the planned Effective Date of the Merger is 15 January 2020. Any change to the Effective Date, which must be cleared in advance by the Central Bank, will be notified in writing to Shareholders.

12. PROPER LAW

- 12.1 The Scheme of Arrangement and any non-contractual obligations arising out of or in connection with the Scheme of Arrangement shall in all respects be governed by and construed in accordance with the laws of Ireland.

Within more developed markets, the investment team's approach seeks to identify global sector themes and combine them with bottom-up fundamental analysis of companies and meetings with management. The investment team's themes provide a framework for their research on companies with such research combining extensive fundamental analysis with company visits to understand the earnings potential of each company and to enhance their understanding of market dynamics. These insights, combined with a bottom-up fundamental company analysis, form the basis for stock selection. Through the use of macroeconomic analysis, they seek to understand the dynamics of each individual market in the region. They then apply bottom-up, financial modeling and fundamental analysis of companies that fit those criteria in order to identify specific securities that represent the best investment opportunities. In particular, the investment team aims to identify opportunities and barriers to growth in each market with a particular focus on valuation drivers, inflection points and catalysts for change. The focus is predominantly at the country level and stock level, with valuation a key consideration.</p>

The risk indicator is based on the volatility of the Fund's performance over the last 5 years. Where 5 years' performance history is not available the data is supplemented by proxy fund, benchmark data or a simulated historical series as appropriate.

- The Fund does not offer any capital guarantee or assurance that the investor will receive a fixed amount when redeeming.
- This profile is determined using historical data, as such may not be a reliable indication for the future risk profile. It is not guaranteed and may shift over time.
- The lowest category does not mean 'risk free'.

Further risks that may have a significant effect on the net asset value of the Fund include:

- **Currency Risk:** the value of investments in assets that are denominated in currencies other than the base currency will be affected by changes in the relevant exchange rates which may cause a decline.
- **Special Country Risk / China:** changes in China's political, social or economic policies may significantly affect the value of the Fund's investments. China's tax law is also applied under policies that may change without notice and with retrospective effect.
- **Currency Risk - Non Base Currency Share Class:** non-base currency share classes may or may not be hedged to the base currency of the Fund. Changes in exchange rates will have an impact on the value of shares in the Fund which are not denominated in the base currency. Where hedging strategies are employed, they may not be fully effective.
- **Capital at Risk:** all financial investments involve an element of risk. Therefore, the value of the investment and the income from it will vary and the initial investment amount cannot be guaranteed.
- **Equity:** investments in equities (directly or indirectly via derivatives) may be subject to significant fluctuations in value.
- **Market Risk / Emerging Markets:** emerging markets will generally be subject to greater political, market, counterparty and operational risks.

1. INTRODUCTION

- 1.1 In this Scheme of Arrangement, references to any statute or statutory instrument or other legislation shall be deemed to include a reference to such statute or statutory instrument or other legislation as from time to time amended and to any codification, consolidation or re-enactment thereof as from time to time in force and the definitions set out on in this document shall apply to the Scheme of Arrangement. References to paragraphs are to paragraphs of this Scheme of Arrangement.
- 1.2 Where the context so permits, all terms used in the Scheme of Arrangement in relation to the Merging Fund or the Receiving Fund shall have the meanings attributed to them in the Merging Fund Documentation, Receiving Fund Documentation or the Definitions section to this document (as the context requires).
- 1.3 If there is any conflict among the Merging Fund Documentation, the Receiving Fund Documentation, the Definitions, this Scheme of Arrangement and the Irish UCITS Regulations, then this Scheme of Arrangement shall take precedence over the said documents and the Irish UCITS Regulations shall take precedence over this Scheme of Arrangement.
- 1.4 The Merger constitutes a merger as provided for in Part 7 of the Irish UCITS Regulations of the Merging Fund with the Receiving Fund.

The type of merger proposed is that set out in sub-section (c) of the definition of “merger” in Part 1, Regulation 3(1) of the Irish UCITS Regulations, being a merger whereby one or more UCITS or sub-funds thereof (“merging UCITS”), which continue to exist until their liabilities have been discharged, transfer their net assets to another sub-fund of the same UCITS, to a UCITS which they form or to another existing UCITS or sub-fund thereof (a “receiving UCITS”).

The proposed merger is of the Merging Fund into the Receiving Fund. The Merging Fund and the Receiving Fund are both sub-funds of GAM Star Fund which is an open-ended umbrella fund with segregated liability between sub-funds and incorporated as an investment company and authorised pursuant to the Irish UCITS Regulations.

2. APPROVAL OF THE MERGER

- 2.1 The Merger is conditional upon (i) the clearance and approval of the Merger by the Central Bank and (ii) the passing of a Special Resolution at an EGM of Shareholders of the Merging Fund, by which the Shareholders of the Merging Fund will be asked to approve the Merger and instruct the Manager to implement the Merger.
- 2.2 Provided that the Special Resolution is passed on or before the Effective Date, the Merger will be binding on all Shareholders of the Merging Fund (whether or not they voted in favour of it, or voted at all, unless they have redeemed their shareholding in the Merging Fund prior to the Effective Date) and the Merger shall be implemented as set out in the following paragraphs.

3. BACKGROUND TO AND RATIONALE FOR MERGER

- 3.1 The Merging Fund was established on 4 January 1988 and had USD 17.8 million in assets under management as of 30 September 2019. Given that the management of the Merging Fund was recently transferred to a new Investment Manager, and there are significant synergies between the investment strategies of the Merging Fund and the Receiving Fund, it was agreed that the most efficient solution for the Shareholders was to merge the Merging Fund into the Receiving Fund. This streamlines the portfolio management and also provides the most cost efficient solution for the Shareholders as a result of the larger portfolio due to the combined assets of both the Merging Fund and the Receiving Fund. Therefore the board of GAM Star

Fund is of the view that it would be in the interests of the Shareholders to merge with the Receiving Fund which would broaden the investor base and create a single sub-fund with a larger and a more competitive fund volume and more efficient and cost-effective portfolio management.

As of 30 September 2019, the combined assets of Merging Fund and the Receiving Fund were USD 32.5 million. The board of GAM Star Fund is of the view that the proposed Merger would be in the interests of the shareholders of the Receiving Fund as it would increase the assets of the Receiving Fund which would in turn increase operational efficiencies of the Receiving Fund and reduce the fixed costs proportionally, thereby reducing the ongoing charges of Receiving Fund.

- 3.2 All costs of the Merger will be borne by GAM and Shareholders in the Merging Fund will not pay for any costs associated with the Merger.

4. EXPECTED IMPACT OF THE PROPOSED MERGER ON THE SHAREHOLDERS OF THE MERGING FUND AND THE SHAREHOLDERS OF THE RECEIVING FUND

4.1 THE RECEIVING FUND

- (i) The Manager does not expect the Merger to have any material impact on the operation of the Receiving Fund. The investment objective, investment strategy, investment manager, portfolio management team, cost, expected outcome, periodic reporting, possible dilution in performance and tax treatment of the Receiving Fund will remain unchanged, so that the Merger will not result in any changes for shareholders of the Receiving Fund.

4.2 THE MERGING FUND

- (i) Shareholders in the Merging Fund will hold shares in the Receiving Fund. The Merging Fund is registered for sale in Austria, Belgium, Denmark, Finland, France, Germany, Ireland, Italy, Luxembourg, the Netherlands, Norway, , Singapore, Spain, Sweden, Switzerland and the United Kingdom.

The Receiving Fund is registered for sale in Austria, Belgium, Denmark, Finland, France, Germany, Ireland, Italy, Luxembourg, the Netherlands, Norway, Singapore, Spain, Sweden, Switzerland, Taiwan and the United Kingdom.

- (ii) Shareholders of each launched and existing Share class of the Merging Fund will receive shares of the Receiving Fund as follows:

MERGING FUND	RECEIVING FUND
EUR Ordinary Accumulation Shares	EUR Ordinary Accumulation Shares
EUR Ordinary Income Shares	EUR Ordinary Income Shares
GBP Ordinary Accumulation Shares	GBP Ordinary Accumulation Shares
GBP Ordinary Income Shares	GBP Ordinary Income Shares
USD Ordinary Accumulation Shares	USD Ordinary Accumulation Shares
USD Ordinary Income Shares	USD Ordinary Income Shares
CHF Ordinary Accumulation Shares	CHF Ordinary Accumulation Shares

EUR Institutional Accumulation Shares	EUR Institutional Accumulation Shares
EUR Selling Agents' C Accumulation Shares	EUR Selling Agents' C Accumulation Shares

- (iii) No subscription fee will be levied in respect of the Shares in the Receiving Fund to be issued to Shareholders of the Merging Fund under the Merger. No redemption fee will be levied in respect of the Shares in the Merging Fund to be cancelled under the Merger.
- (iv) GAM International Management Limited and GAM Hong Kong Limited currently each act as Investment Manager of both the Merging Fund and the Receiving Fund.
- (v) A full comparison of the investment objectives, policies and strategies of the Merging Fund and the Receiving Fund is set out in Appendix 2 of the Circular addressed to Shareholders of the Merging Fund (the "**Circular**").
- (vi) The methodology used to measure global exposure of both the Merging Fund and the Receiving Fund arising from the use of derivatives is the commitment approach.
- (vii) A full comparison of the fees applicable to the relevant Shares in the Merging Fund and the relevant Shares in the Receiving Fund is set out in Appendix 2 of the Circular.
- (viii) No performance fee is payable to the Investment Manager in respect of the Merging and the Receiving Fund.
- (ix) Periodic Reporting: Further information on the periodic reporting applicable to the Merging Fund and the Receiving Fund is set out in Appendix 2 of the Circular.
- (x) Risks: Investors should note that the risk and reward profile of the Merging Fund as set out in the Key Investor Information Document ("**KIID**") of the Merging Fund is 6 for USD, EUR, GBP & CHF denominated share classes, and the risk and reward profile of the Receiving Fund as set out in the KIID of the Receiving Fund is 6 for USD, EUR, GBP & CHF denominated share classes. A full comparison of the material risks of the Merging Fund and the Receiving Fund which are not captured by the Synthetic Risk and Reward Indicator of the applicable fund is set out in Appendix 2 of the Circular.
- (xi) Rebalancing: It is not intended that the assets of the Merging Fund will be rebalanced prior to the Merger taking effect.
- (xii) The assets of the Merging Fund will preferably be transferred to the Receiving Fund or else sold and contributed in cash. Therefore, a dilution should not take place.
- (xiii) Dilution of performance of the Receiving Fund should not take place.
- (xiv) Impact on Shareholders of the Merging Fund: The Directors believe that the Merger is in the best interests of the Shareholders in the Merging Fund who will benefit because the Merger will allow GAM to provide a more cohesive, structured investment team and will create costs efficiencies which is expected to benefit Shareholders of the Merging Fund.
- (xv) For the avoidance of doubt, there will be no material difference in rights between the Shareholders in the Merging Fund in respect of investment policy and strategy expected outcome, periodic reporting and possible dilution in performance, before and after the Merger takes effect.

5. MERGER

- 5.1 Upon approval of the Merger, as and from the Effective Date and subject to the terms hereof, the Scheme Property of the Merging Fund will become part of the property of the Receiving Fund in exchange and in full payment for the issue of New Shares to the holders of Original Shares.
- 5.2 The Depositary in its capacity as Depositary of the Merging Fund shall transfer to the Depositary in its capacity as Depositary of the Receiving Fund, the Scheme Property of the Merging Fund (less the retention provided for in paragraph 5.3) and the Depositary shall (subject to the Terms of Merger) hold the Scheme Property transferred to it as an accretion to the Scheme Property of the Receiving Fund subject to the Memorandum and Articles of Association of GAM Star Fund. In relation to assets so held, with effect from the Effective Date, the provisions set out in the Merging Fund Documentation shall cease to have any effect save as required for the purposes of the Merger.
- 5.3 The Depositary shall retain such amount of cash (and if necessary other assets), together with any income arising therefrom as shall, in the opinion of the Manager, be sufficient for the purpose of discharging any outstanding, unsatisfied or contingent liabilities of the Merging Fund until the date on which the termination of the Merging Fund is completed pursuant to paragraph 12. For the purpose of the Merger, outstanding or unsatisfied liabilities of the Merging Fund shall exclude any costs and expenses in connection with the implementation of the Merger but shall include the accrued or anticipated costs, charges, expenses, taxation, liabilities and fees authorised by the Merging Fund Documentation to be paid out of the Scheme Property of the Merging Fund (including, inter alia, the Manager's fees and the Depositary's remuneration if any) as accrued to the Effective Date. After the discharge of all liabilities of the Merging Fund, the Depositary shall transfer to the account of the Receiving Fund held by the Depositary, the balance then remaining, if any, as an accretion to the then Scheme Property of the Receiving Fund subject to the Irish UCITS Regulations but such accretion, if any, shall not take place until the date on which the termination of the Merging Fund has been completed and shall not increase the number of New Shares to be issued.
- 5.4 Dealings in the Original Shares shall continue up to the day prior to the Effective Date of the Merger in respect of subscription/redemption notices received by the Manager on or prior to 10.00 p.m. (UK time) on the relevant Dealing Day. Dealings in the New Shares in the Receiving Fund shall commence on the first Dealing Day (as defined in Appendix 2 of the Circular) of the Receiving Fund subsequent to the Effective Date provided that subscription/redemption notices have been received by the Manager on or prior to 10.00 p.m. (UK time) on that Dealing Day.

6. CANCELLATION OF ORIGINAL SHARES

- 6.1 Immediately after the issue of New Shares pursuant to the Merger, every Original Share in the Merging Fund shall be deemed to have been cancelled and shall cease to be of value, and no further Shares in the Merging Fund will be issued.

7. CALCULATION OF EXCHANGE RATIO AND VALUATION OF ASSETS

- 7.1 The total number of New Shares to be created and issued by the Receiving Fund pursuant to the Merger to each Shareholder of the Merging Fund at the Effective Date (in place of and in proportion to his/her Original Shares), known as the exchange ratio, shall be calculated by dividing the value of the Original Shares in the Merging Fund, which shall be calculated as of the Effective Date in accordance with the valuation methodology set out in the Merging Fund Documentation by the net asset value per share of Shares to be issued in the Receiving Fund calculated as of the Effective Date. Each Shareholder will receive Shares in the Receiving Fund equal in value to the Shares held by each Shareholder in the Merging Fund as at the Effective

Date.

7.2 For the purpose of the Merger:

- (a) the net asset value per share of Original Shares in the Merging Fund shall, subject to paragraph 7.3(i), be the net asset value per share ascertained by the Manager in accordance with the valuation provisions set down in the Merging Fund Documentation, excluding dealing costs; and
- (b) the price of New Shares in the Receiving Fund shall, subject to paragraph 7.3(ii), be the price ascertained by the Manager in accordance with the valuation provisions set down in the Receiving Fund Documentation, excluding dealing costs.

7.3 For the purposes of determining the prices in terms of paragraph 7.2:

- (i) the value of the Scheme Property of the Merging Fund shall be ascertained in accordance with the valuation provisions set down in the Merging Fund Documentation as at 23:00 hours (UK time) on the Effective Date. In computing such values, in the case of the Scheme Property of the Merging Fund, there shall be deducted therefrom the costs and expenses identified as outstanding or unsatisfied liabilities of the Merging Fund pursuant to paragraph 5.3;
- (ii) the value of the Scheme Property of the Receiving Fund shall be ascertained in accordance with the valuation provisions set down in the Receiving Fund Documentation in respect of the Effective Date.

7.4 The transfer of the Scheme Property of the Merging Fund, less the retention provided for in paragraph 5.3, to the Receiving Fund will be in exchange for the New Shares issued to the Merging Fund Shareholders pursuant to the Merger who will be treated as exchanging their Original Shares for New Shares in the Receiving Fund.

7.5 The Manager shall not, in respect of the New Shares to be issued under the Merger, be entitled to make any preliminary or initial charge. Neither shall the Manager levy any redemption charge on cancellation of Original Shares in the Merging Fund under the Merger or on redemption of Original Shares by Shareholders prior to the Effective Date.

7.6 The Auditors of the Merging Fund will validate the following as at the Effective Date:

- (i) the criteria adopted for the valuation of the assets as of the Effective Date; and

9. COSTS AND ADJUSTMENTS

- 9.3 If the liabilities of the Merging Fund exceed the total amount retained by the Manager in accordance with the Merger, then to the extent of such excess, the Manager shall discharge such liabilities or (if the Depositary is liable to meet such liabilities) shall put the Depositary in funds to discharge such excess of liabilities and shall indemnify the Depositary in respect thereof.
- 9.4 If the liabilities of the Merging Fund are lower than the total amount retained by the Manager in accordance with the Merger and there is a surplus remaining with the Merging Fund on the completion of the termination of the Merging Fund, such surplus, together with any income arising therefrom, shall be transferred to the Receiving Fund. No further issue of New Shares shall be made as a result. The Manager shall cease to hold such amount in its capacity as Manager of the Merging Fund and shall make such transfers and redesignations as may be directed or instructed by the Depositary.

10. PAYMENTS OUT OF THE SCHEME PROPERTY OF THE MERGING FUND

- 10.1 Without prejudice to the terms of paragraph 9.4, the Manager shall pay out of the Scheme Property of the Merging Fund or otherwise meet from the amounts retained by it in accordance with paragraph 5.3:
- (a) the Global Distributor, Investment Manager, Manager and Depositary fee, if any, in respect of the Merging Fund accrued to the Effective Date; and
 - (b) all other undischarged liabilities of the Merging Fund whether arising before or after the Effective Date, including all the accrued costs, charges, expenses, taxation, liabilities and fees of the Merging Fund authorised to be paid either out of the Scheme Property of the Merging Fund on or before the Effective Date and/or subsequently out of the amounts to be retained by the Manager pursuant to the Merger.

- 11.2 No certificates will be issued in respect of the New Shares.
- 11.3 The Depositary and the Registrar shall each be entitled to assume that all information contained in the Merging Fund's Register at the Effective Date is correct and to utilise the same in calculating the number of New Shares to be issued and registered pursuant to the Merger and shall each be entitled to act and rely upon any certificate, opinion, evidence or information furnished by its respective professional advisers in connection with the Merger and shall not be liable or responsible for any loss suffered as a result thereof.

12. TERMINATION OF THE MERGING FUND

- 13.2 There may be circumstances beyond the control of the Manager or the Depositary which mean that it is not possible or practicable to effect the Merger. In these circumstances the Manager and the Depositary will continue to operate the Merging Fund until such time as it is practicable to effect the Merger which will be done on the Terms of Merger with such consequential adjustments to the timetable as the Manager and the Depositary consider appropriate.
