Dear Client

Changes to our UK registrar services Account in the name of

I am writing to notify you of our decision to change the provider of our UK registrar services from DST Systems (formerly IFDS) to HSBC in the first half of 2020.

This change builds upon our global strategic partnership with HSBC, enhancing the consistency and efficiency of the services provided whilst improving our investors' experience.

The following fund ranges operated by Schroder Unit Trusts Limited ('SUTL') will be affected by the change:

- Schroder Absolute Return Fund Company
- SUTL Institutional
- SUTL Intermediary
- Schroder Multi-Manager Funds
- SUTL (Non-UCITS Retail)
- SUTL Cazenove Charity Non-UCITS Fund
- SUTL Cazenove Charity UCITS Fund
- Schroder Investment Fund Company
- Schroder Dynamic Investment Fund Company
- Schroder Fusion Investment Fund Company

This transfer will not affect the investment management of the funds or your ownership of units/shares. The costs of making this change will not be borne by the funds or investors.

Key changes:

- 1. You will be provided with new unitholder/shareholder number(s) in alphanumeric format, e.g. ABCD12345678.
- 2. If you hold multiple product types under a single unitholder/shareholder number, you will be issued with a new unitholder/shareholder number for each product.
- 3. Some product descriptions by which investments are known will change. For example 'Schroder Unit Trusts/OEIC' will become 'General Investment Account' and 'Schroders Charities' will become 'Charity'.
- 4. If you settle transactions electronically, you will need to amend your payment instructions.
- 5. If you access account information via our online offering, we will pre-register you for the new service to ensure that you will continue to be able to access the same reporting. If you are not currently registered as a user, you will need to register for the new service once the transfer to HSBC is complete. Please note that some of your reports may also change format.
- 6. The registrar details (phone, email, address and fax), including services relating to dealing and settlement, will also change.

Please note that we will confirm specific details prior to these changes taking place.

We will write to you again two weeks prior to the transfer, detailing the specific changes and what you will need to do.

If you require further information in the meantime, please refer to our Frequently Asked Questions at www.schroders.com/corporate-FAQs or contact your usual Schroders' representative.

Yours faithfully

Paul Truscott Director Schroder Unit Trusts Limited
