Dear Shareholder,

ABERDEEN STANDARD SICAV I

We are writing to inform you of the changes that the Board of Directors of Aberdeen Standard SICAV I (the “**Company**”) proposes to make to the Company and its sub-funds with effect from 2 November 2020 (the “**Effective Date**”). The principal proposed changes are detailed in this letter.

Capitalised terms used in this letter shall have the same meaning ascribed to them in the latest version of the prospectus of the Company unless the context otherwise requires.

Change of Data Processing Agent and Sub-Data Processing Agents

Notice is hereby given to the shareholders of the Company, that the current data processing model is intended to be fully outsourced by the Management Company and so the following changes to the data processing agents will be implemented with effect as of the Effective Date:

- Aberdeen Asset Managers Limited will cease to act as data processing agent and the function of sub-data processing agent will no longer be delegated to DST Financial Services Europe Limited (now named SS&C Financial Services Europe Limited) and DST Financial Services International Limited (now named SS&C Financial Services International Limited) (together, the “**Former Data Processing Agents**”), each with effect as of the Effective Date; and
- International Financial Data Services (Luxembourg) S.A. (whose office is at 47, the avenue J.F. Kennedy L1855, Luxembourg, Grand-Duchy of Luxembourg, R.C.S Luxembourg B81997), SS&C Financial Services Europe Limited and SS&C Financial Services International Limited (whose office is at St. Nicholas Lane, Basildon, United Kingdom SS15 5FS) (together, the “**New Data Processing Agents**”) will act as data processing agents of the Company in replacement of Aberdeen Asset Managers Limited with effect as of the Effective Date.

The New Data Processing Agents will delegate certain processing functions to State Street Syntel Services (India), Victor Buck Services S.A. (Luxembourg), DST Worldwide Services (India) and IFDS Poland. Investor information to be shared with these entities includes Personal Data in accordance with the provisions set out under the Confidentiality and Data Protection heading in the Prospectus.

A new services agreement will be entered into between the Management Company and the New Data Processing Agents, under which the New Data Processing Agents will carry out the same duties and responsibilities that are currently carried out by the Former Data Processing Agents and there will be no material change to such duties and responsibilities.

The Board of Directors of the Company considers that it is in the best interest of the Company and its shareholders for the Management Company to appoint the New Data Processing Agents.
